

Swings Roundabouts

Dennis Lock

Swings Roundabouts:

Naked Project Management Dennis Lock, 2017-03-02 Books about project management are plentiful. The best of those books are too comprehensive for the person faced for the first time with managing a small and relatively straightforward project or for the student studying for a degree or business qualification in which project management is only one of several modules. But at the other extreme too many of the simpler books treat project management lightly, gloss over or ignore some essential processes and even get the facts wrong and give incorrect examples. *Naked Project Management* is an introductory guide to the world of project management from one of the world's most accomplished project management authors. Lock has stripped project management down to its bare facts, simplifying everything but trivializing nothing, leaving sound practical advice on how to organize and manage a small or medium-sized project. The book is written in the direct, jargon-free style that has become Dennis Lock's hallmark. Everything is carefully explained and supported with clear diagrams. It covers all the essential aspects of project management in astonishingly few words and provides further instruction with an entertaining case study project that flows logically through the chapters from beginning to end. Degree and other students for whom project management is an elective or small part of their course will love this compact, time-saving and reasonably priced study resource.

Cox's Reports of Cases in Criminal Law Argued and Determined in the Courts of England Great Britain. Courts, 1895

Re-imagining Playwork through a Poststructural Lens Linda Jane Shaw, 2022-07-29 This book explores how poststructural theory can make an important contribution to the growing body of work on playwork as an academic field of practice and research. Drawing on theoretical concepts used by sociologists and philosophers such as the sociological imagination, Mills' hauntings and the fictive Derrida and technologies of power and the self, Foucault, the text considers how these devices may be methodologically productive for playwork research. It reframes research into children and childhood as a process in which research and practice are connected but diverse skills. The book raises questions around power and voice and highlights the complexity of research which involves human participants and their roles as researcher and/or researched. Chapters relate concepts from post-structural feminist research and frame them within the context of playwork practice through the use of vignettes constructed from stories told by playwork practitioners and the children with whom they work. A valuable addition to an emerging academic field, this book will be of great interest to researchers and students in the fields of playwork research, education and youth studies, early childhood studies and the sociology of education.

Reports of Cases in Criminal Law Edward William Cox, 1895

Michael Balint Andrew Elder, Robert Gosling, Harold Stewart, 2003-09-02 Whilst Michael Balint's applied work is widely known, many of his theoretical contributions have been incorporated into everyday analysis without due recognition of their source. In this account of his thinking, Harold Stewart evaluates the extent of Balint's contribution to psychoanalysis and firmly re-establishes his place within the development of Object Relations theory. The first section examines Balint's theories of human psychological development, defining such

concepts as primary love ocnophilia and philobatia the basic fault and the three areas of the mind The author places Balint s understanding of the analyst s influence and technique in the context of his relationship with Sandor Ferenczi his analyst and mentor The second section of this work looks at how the Balint Group has contributed to the assessment and understanding of emotional problems in various areas including general practice marital work and psychosexual medicine A charismatic teacher Balint s method of work with General Practitioners has become an established worldwide institution Features of this work including the use of countertransference and the affective response of the doctor are vividly described here by two General Practitioners Andrew Elder and Robert Gosling Michael Balint Object Relations Pure and Applied brings alive Balint s teaching and practice and demonstrates the relevance of his theories to many of the problematic issues in current analytic practice **The stray notes of a wayfarer, by A.C.C.** A C. C,1897 Through Spain by Rail in 1872 Alfred Elwes,1873

The Collected Remarkable Travels of George Pitt (accompanied by His Wife) Round and Over the World ... George Pitt (of the Society of Friends.),1886 **Parliamentary Papers** Great Britain. Parliament. House of Commons,1899 *Gibson's Law Notes* Albert Gibson,Robert McLean,1893 **Old and New London** Walter Thornbury,1872 *Old and New London: a Narrative of Its History, Its People, and Its Places ...* Walter Thornbury,1892 **Truth** ,1885 **The Musical World** ,1873 Subject-matter Index of Applications for Letters Patent, for the Year ... Great Britain. Patent Office,1886 "The" Popular Guide to the Isle of Man ,1876 **The Engineer's Sketch-book** Thomas Walter Barber,1890 Discovery ,1945

Harper's New Monthly Magazine ,1873 Harper s Magazine made its debut in June 1850 the brainchild of the prominent New York book publishing firm Harper Brothers Harper s Magazine the oldest general interest monthly in America explores the issues that drive our national conversation through long form narrative journalism and essays and such celebrated features as the iconic Harper s Index With its emphasis on fine writing and original thought Harper s provides readers with a unique perspective on politics society the environment and culture *The engineer's sketch-book of mechanical movements, devices ... and details* Thomas Walter Barber,1889
