*Looking for a Story* Noel Rubinton, 2025-05-13 An annotated guide to the work of the Pulitzer Prize winning writer teacher and pioneer of creative nonfiction John McPhee has been a staff writer for The New Yorker since 1965 and has written more than thirty acclaimed books that began on the magazine's pages But few readers know or fully appreciate the true breadth of his writing *Looking for a Story* is a complete reader's guide to McPhee's vast published work documenting much rarely seen or connected with McPhee including remarkable early writing for Time magazine published without his name In chronicling McPhee's career where he broke ground applying devices long associated with fiction to the literature of fact Noel Rubinton gives insights into McPhee's techniques choice of subjects and research methods shedding light on how McPhee turns complicated subjects like geology into compelling stories Beyond detailing more than seventy years of McPhee's writing Rubinton recounts McPhee's half century as a Princeton University writing professor a little known part of his legacy McPhee inspired generations of students who wrote hundreds of books of their own also catalogued here With an incisive foreword by New Yorker staff writer and former McPhee student Peter Hessler *Looking for a Story* also includes extensive annotated listings of articles about McPhee reviews of his books and interviews readings and speeches Whether you are already an admirer of McPhee or new to his writings this book provides an invaluable road map to his rich body of work

[The Routledge Companion to Military Research Methods](#) Alison J. Williams, Neil Jenkins, Rachel Woodward, Matthew F. Rech, 2016-04-28 This new handbook is about the practices of conducting research on military issues As an edited collection it brings together an extensive group of authors from a range of disciplinary perspectives whose chapters engage with the conceptual practical and political questions raised when doing military research The book considers a wide range of questions around research about on and with military organisations personnel and activities from diverse starting points across the social sciences arts and humanities Each chapter in this volume Describes the nature of the military research topic under scrutiny and explains what research practices were undertaken and why Discusses the author's research activities addressing the nature of their engagement with their subjects and explaining how the method or approach under scrutiny was distinctive because of the military context or subject of the research Reflects on the author's research experiences and the specific often unique negotiations with the politics and practices of military institutions and military personnel before during and after their research fieldwork The book provides a focussed overview of methodological approaches to critical studies of military personnel and institutions and processes and practices of militarisation and militarism In particular it engages with the growth in qualitative approaches to military research particularly research carried out on military topics outside military research institutions The handbook provides the reader with a comprehensive guide to how critical military research is being undertaken by social scientists and humanities scholars today and sets out suggestions for future approaches to military research This book will be of much interest to students of military studies war

and conflict studies and research methods in general     *The Citizen-Soldier in War and Peace* James Biser Whisker,John R. Coe,2021-09-15 The Citizen Soldier in War and Peace is a is a short historical look at the use of firearms in America and throughout the world this book appeals to anybody who believes in the Second Amendment or who is interested in the historical use of firearms It begins with the use of guns for hunting and self protection ad well as personal property and of course national defense early in our country s early history It also analyzes the philosophical standpoint of the idea of the armed citizen and its relationship to freedom A freeman with a gun an armed citizenry means a free country The book also does a thorough job of examining other countries and other philosophical aspects of arming the citizenry This book clearly defines the Militias in other countries It touches on China and the Soviet Union and their philosophy as well The book is extremely readable and would be advised reading for anyone from high school to grad school Those interested in history political science or current events will find this book a must for their personal library     *Landscape as Weapon* John Beck,2020-12-15 Once the playgrounds and raw material for the avantgarde abandoned places and things decommissioned military sites postindustrial spaces contested and forgotten edgelands are now just as likely to be seen as assets for entrepreneurs or connoisseurs of the authentically worn out This is the age of patina where the material remains of times past the fields and factories test sites back alleys machines and statues are coveted adored mourned and commemorated as well as sometimes despised Through an exploration of a wide range of recent film photography art and writing about place Landscape as Weapon argues that these abandoned sites are a critical arena for debate about the meaning of space and time under late capitalism     *The Bloomsbury Review* ,1984     **Swiss Neutrality and Security** Marko Milivojević,Pierre Maurer,1990 A discussion of major aspects of Switzerland s position within Europe and the repercussions on her defence foreign and economic policies Issues resulting from the security problems Switzerland faces in a rapidly changing European environment are covered     **The New Yorker** Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1984     **John McPhee** Michael Pearson,1997 Twayne s United States Authors English Authors and World Authors Series present concise critical introductions to great writers and their works Devoted to critical interpretation and discussion of an author s work each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view An Authors Series volume addresses readers ranging from advanced high school students to university professors The book suggests to the informed reader new ways of considering a writer s work Each volume features A critical interpretive study and explication of the author s works A brief biography of the author An accessible chronology outlining the life the work and relevant historical context Aids for further study complete notes and references a selected annotated bibliography and an index A readable style presented in a manageable length     **The Art of Fact** Barbara Lounsberry,1990-04-09 The artistry of nonfiction is the great unexplored territory of contemporary criticism Although the American book clubs now emphasize nonfiction and The New

York Times Book Review publishes almost three times as many reviews of nonfiction as fiction critical appreciation of this work has lagged behind The Art of Fact is the first comprehensive examination of five of today's most popular and important nonfiction artists Gay Talese Tom Wolfe John McPhee Joan Didion and Norman Mailer By discussing contemporary literary nonfiction in relation to the early prose narrative forms and to the news novels of the seventeenth and eighteenth centuries the opening chapter defines the discourse known as literary or artistic nonfiction Dr Lounsberry then describes four characteristics of literary nonfiction and grounds these characteristics in contemporary works The five chapters which follow this introduction thoroughly examine the works of five prominent contemporary nonfiction artists While critics to date have tended to focus on only one or two of each writer's works these chapters trace themes across each writer's entire body of work and even project likely future directions given current artistic trajectories Also addressed is the role of literary nonfiction in the American literary tradition and how each of the five writers exemplifies a strand of nonfiction narrative The Art of Fact draws from personal interviews with Gay Talese and John McPhee and includes new interpretations of the works of Tom Wolfe Joan Didion and Norman Mailer as well as unpublished material from Gay Talese's current book in progress The Art of Fact is a timely call for critical appreciation of the artistry of nonfiction and offers valuable insights to both

students and fans of contemporary nonfiction    **The Journal of the Armed Forces** ,1872    *History of California* Hubert Howe Bancroft,1886    History of Lancaster County, Pennsylvania Franklin Ellis, Samuel Evans,1883    History of California. 1884-90 Hubert Howe Bancroft,1886    *History of California: 1841-1845* Hubert Howe Bancroft,1886    *New Society* ,1985    **The Works of Hubert Howe Bancroft: History of California** Hubert Howe Bancroft,1886    **The Works of Hubert Howe Bancroft. 18-24 : History of California** Hubert Howe Bancroft,1886    **History of the Pacific States of North America: California. 1884-90** Hubert Howe Bancroft,1886    The Works of Hubert Howe Bancroft: History of California. 1884-90 Hubert Howe Bancroft,1886    **House documents** ,1892
