The Alpine landscape that so entranced Thomas Cook's pioneering group of package tourists in 1863 still draws tourists in their millions. Whether you're looking to check out the 365 days per year snowboarding scene in Zermatt, wander the medieval streets of exceptionally preserved Bern or sleep on the straw in a Valais farm, you'll find plenty of insight and advice from our team of expert authors. Beyond the hinterlands we uncover the surprisingly dynamic alternative scene in Switzerland's cities, its cutting edge contemporary galleries and myriad film music and design festivals, not to mention the scientists at CERN attempting to discover the neutron sized building blocks of our universe in the world's biggest experiment.
