Sword Point Uk

Alan Steele

Sword Point Uk:

British Naval Swords and Swordsmanship Mark Barton, John McGrath, 2013-07-03 This new publication is intended to bring together a mass of research dealing with all aspects of British naval swords Unlike the much sought after Swords of Sea Service by May and Annis this work offers a far broader coverage and for the first time the complete story of swords and swordsmanship is presented in one concise volume While the swords themselves are described the authors also tell the story of naval swordsmanship For example subjects such as how swords and cutlasses were used in action and how training was conducted and covered The authors also address how the use of swords developed into a sport in the Navy and how swords and swordsmanship may have entered naval symbology in such areas as ships names Many current myths are addressed and corrected and the story is brought right up to date with information on the sport from 1948 to 2000 While the book concentrates on the Royal Navy foreign weapons including those of the Irish Naval Service are mentioned where appropriate Other British Maritime organisations such as the Merchant Navy the Customs and Coastguard Services and the Reserves are also addressed The book also covers subjects such as dating collecting and conservation of swords and re examines those swords attributed to Nelson The Appendices include the first list of Swords of Peace awarded to naval units to be published Recent research by the authors is also reflected in the updated lists of Patriotic Fund Awards City of London Swords and Naval fencing champions contained in the Appendices The comprehensive nature of the work has not been attempted before and the book will appeal to a wide range of naval enthusiasts and historians collectors of weapons fencers and re enactors

At Sword's Point, Part 1 William P. MacKinnon, 2016-10-27 The Utah War of 1857-58 the unprecedented armed confrontation between Mormon Utah Territory and the U S government was the most extensive American military action between the Mexican and Civil wars At Sword's Point presents in two volumes the first in depth narrative and documentary history of that extraordinary conflict William P MacKinnon offers a lively narrative linking firsthand accounts most previously unknown from soldiers and civilians on both sides This first volume traces the war's causes and preliminary events including President Buchanan's decision to replace Brigham Young as governor of Utah and restore federal authority through a large army expedition Also examined are Young's defensive aggressive reactions the onset of armed hostilities and Thomas L Kane's departure at the end of 1857 for his now famous mediating mission to Utah MacKinnon provides a balanced comprehensive account based on a half century of research and a wealth of carefully selected new material Women's voices from both sides enrich this colorful story At Sword's Point presents the Utah War as a sprawling confrontation with regional and international as well as territorial impact As a nonpartisan definitive work it eclipses previous studies of this remarkably bloody turning point in western military and Mormon history

The British Palaeolithic Paul Pettitt, Mark White, 2012 The British Palaeolithic provides the first academic synthesis of the entire British Palaeolithic from the earliest occupation to the end of the Ice Age It fills a major gap in teaching resources as well in

research by providing a current synthesis of the latest research on the period **At Sword's Point, Part 2** William P. MacKinnon, 2016-10-27 The Utah War an unprecedented armed confrontation between Mormon controlled Utah Territory and the U S government was the most extensive American military action between the U S Mexican and Civil Wars Drawing on author editor William P MacKinnon s half century of research and a wealth of carefully selected new material At Sword s Point presents the first full history of the conflict through the voices of participants leaders soldiers and civilians from both sides MacKinnon s lively narrative continued in this second volume links and explains these firsthand accounts to produce the most detailed in depth and balanced view of the war to date At Sword s Point Part 2 carries the story of the Utah War from the end of 1857 to the conclusion of hostilities in June 1858 when Brigham Young was replaced as territorial governor and almost one third of the U S Army occupied Utah Through the testimony of Mormon and federal leaders combatants emissaries and onlookers this second volume describes the war s final months and uneasy resolution President James Buchanan and his secretary of war John B Floyd worked to break a political military stalemate in Utah while Mormon leaders prepared defensive and aggressive countermeasures ranging from an attack on Forts Bridger and Laramie to the Sebastopol Strategy of evacuating and torching Salt Lake City and sending 30 000 Mormon refugees on a mass exodus and fighting retreat toward Mexican Sonora Thomas L Kane self appointed intermediary and Philadelphia humanitarian sought a peaceful conclusion to the conflict which ended with the arrival in Utah of President Buchanan s two official peace commissioners the president s blanket pardon for Utah s population and the army s peaceful march into the Salt Lake Valley MacKinnon s narrative weaves a panoramic yet intimate view of a turning point in western Mormon and American history far bloodier than previously understood With its sophisticated documentary analysis and insight this work will stand as the definitive history of the complex consequential and still debated Utah War **Debrett's illustrated baronetage and knightage (and companionage) of the United Kingdom of Great Britain and Ireland** ,1892 **The British Numismatic Journal** British Numismatic Society,1969 British Cavalryman vs German Cavalryman Alan Steele,2022-08-18 Fully illustrated this book casts light on the utility and role of the German and British cavalry in the early stages of World War I on the Western Front In the early months of World War I before the fighting degenerated into static trench warfare there was a brief period of mobile combat as the German Army advanced through Belgium and northern France forcing the French and British forces facing them to retreat Both sides in the escalating conflict deployed substantial numbers of cavalry units to screen their infantry forces conduct reconnaissance and harness their superior mobility to undertake aggressive combat operations In the summer of 1914 the British cavalry had the difficult task of covering the withdrawal of the British Expeditionary Force and the German cavalry the equally demanding task after weeks of combat and forced marches of maintaining contact with a rapidly retiring enemy In this book a comparative assessment is made of each side s doctrine organization equipment and training followed by a detailed analysis of their actual performance in three key encounter actions Casteau Soignies 22

August C rizey Mo 28 August and Le Montcel Fr toy 7 September This analysis is supported by carefully chosen photographs and specially commissioned full colour artwork and maps The British Drama ,1886 **The British Chess Magazine** ,1895 The Works of the British Dramatists Sir John Scott Keltie,1875 Ancient Maya State, Urbanism, Exchange, and Craft Specialization Kazuo Aoyama,1999 An exhaustive analysis of political and economic change right through the sequence of Maya civilization based on the direct evidence of chipped stone assemblages from a wide variety of contexts in two regions The acquisition of raw materials the production of tools and the use of tools are all fully considered for what they can tell us about long distance political and economic relations and local economic organization An unexpected bonus of the study was information on the use of chipped stone in warfare The full dataset is provided electronically Complete text in English and Spanish **British Journal of Dental Science** ,1897 **The British American Navigator** John Purdy,1847 **A Treatise on Heraldry, British and Foreign** John Woodward,George Burnett,1892 **Journal of the British Archaeological Association** British Archaeological Association,1881 **British Metallic Coins and Tradesmen's Tokens with Their Value from 1600-1912** G. C. Kent,1913 **History of the British Standing Army. A.D. 1660 to 1700** Clifford Walton,1894 *The British drama, illustrated* ,1870 **Popular British ballads ancient and modern, chosen by R.B. Johnson** Reginald Brimley Johnson,1894 The British Quarterly Review Henry Allon,1882
