Sword And The Scimitar:

Sword and Scimitar Raymond Ibrahim, 2018-08-28 A sweeping history of the often violent conflict between Islam and the West shedding a revealing light on current hostilities The West and Islam the sword and scimitar have clashed since the mid seventh century when according to Muslim tradition the Roman emperor rejected Prophet Muhammad's order to abandon Christianity and convert to Islam unleashing a centuries long jihad on Christendom *Sword and Scimitar* chronicles the decisive battles that arose from this ages old Islamic jihad beginning with the first major Islamic attack on Christian land in 636 through the Muslim occupation of nearly three quarters of Christendom which prompted the Crusades followed by renewed Muslim conquests by Turks and Tatars to the European colonization of the Muslim world in the 1800s when Islam largely went on the retreat until its reemergence in recent times Using original sources in Arabic and Greek preeminent historian Raymond Ibrahim describes each battle in vivid detail and explains how these wars and the larger historical currents of the age reflect the cultural fault lines between Islam and the West The majority of these landmark battles including the battles of Yarmuk Tours Manzikert the sieges at Constantinople and Vienna and the crusades in Syria and Spain are now forgotten or considered inconsequential Yet today as the West faces a resurgence of this enduring Islamic jihad *Sword and Scimitar* provides the needed historical context to understand the current relationship between the West and the Islamic world and why the Islamic State is merely the latest chapter of an old history

The Sword and the Scimitar David W. Ball, 2019-04-15 Maltese Siblings Nico and Maria are suddenly wrenched apart when young Nico is abducted by slavers Some unforeseen path leads him to the court of Suleiman the Magnificent Sultan of the Ottomans Maria stranded alone in Malta joins a group of Jews forced by their Christian rulers to renounce their faith French aristocrat Christien deVries yearns to prove himself as a surgeon in the Order of St John to which he was pledged as an infant but joined only as a result of a life altering oath When conflict between the Ottoman Empire and the Christian alliance resulting in the Siege of Malta Maria Nico and Christien will be forced together in a sequence of events that may decide the victor A sweeping historical epic set against the backdrop of the desperate conflict between Christian Europe and the Islamic Ottoman Empire *The Sword and the Scimitar* is a triumph perfect for fans of Simon Scarrow Christian Cameron and Bernard Cornwell

Thomas confronts the past that cost him his honour and a secret that has long lain buried a vast enemy army arrives to lay siege to the island **The Sword and the Scimitar** Ernle Bradford,2004 For nearly two centuries from 1096 until 1291 a tide of pilgrims knights men at arms priests traders and peasants swept from Western Europe to the Levant Crusaders whose common aim was to recover the Holy Place of Christendom The Sword and the Scimitar is a saga of one of the most fanatical religious wars in world history It is a story abounding with highly distinctive personalities popes saints kings sultans and heroes like Saladin and Richard Coeur de Lion of the encounter of two great cultures and their cross fertilization It tells of the three great Military Orders the Knights Hospitaller of St John the Teutonic Knights and the Knights Templar It does not disguise the savagery that accompanied the capture of Jerusalem by the Crusaders or the scenes of fire and carnage when the Kingdom of Jerusalem fell nearly two centuries later and the markets of the East were so flooded with Christian slaves that a young Frankish woman might be sold for one silver coin Sword and the Scimitar Proof David Ball,2003-07-01
