Sword Of The Dales:

The Sword of the Dales James Butler,1995-06-01 **The Yorkshire Coast and the Cleveland Hills and Dales** John Leyland,1892 **The Chain of Wisdom** Robert Stims,2003-10 The soulhell stirred within the dark recesses of the void that confined it as it began to feel its master s presence The creature did not wish its slumber to be disturbed because the void was cold and empty a formless cavity of blackness without sound or substance Soon it recognized the presence that reached out to it and it could not resist At long last someone had come to break the dreaded silence that had driven the creature mad At first the presence seemed merely an illusion and only slowly did the soullhell feel its full force It would live again Steal a soul so that it could walk once again upon the earth Sollyhnn awoke with a start unable to rid his mind of the nightmares that had haunted his thoughts for the last twelve evenings He slowly left his bed his mind still caught between dreams and reality and unknowingly began a journey that would take him through worlds he had never imagined existed and years to complete

causeway in use from at least 457 to 321BC including bronze and iron weapons and tools some decorated with ornamental motifs bone tools stone tools jewellery and pottery The Iron Age finds are earlier than those from similar watery sites such as La Tène in Switzerland and Llyn Cerrig Bach in Wales and the precise dating of the Fiskerton causeway by dendrochronology establishes it as one of the earliest known structures in Europe belonging to the La Tène culture This report provides detailed descriptions of the Iron Age Roman and Medieval artefacts and the human and animal bones found at the site The authors compare the Fiskerton evidence with other British Irish and European examples of ritual or votive deposition in water they discuss the construction and the appearance of the causeway and they examine the significance of Fiskerton as a religious site especially in terms of its topographical context as a river crossing and as a boundary or liminal area between mainland Britain and the former island of Lindsey **The Monthly Chronicle of North-Country Lore and Legend** ,1888
