Swords Of Night And Day:

The Swords of Night and Day David Gemmell, 2005-03-14 With mythic sweep and epic scope David Gemmell's bestselling novels of magic and adventure feature brooding heroes who fight to preserve all that is good and honorable in themselves and in the worlds through which they stride like lonely giants. In times of terror and despair there are the swords that carve a shining path inspiring others to follow. Even after their deaths their names live on. A thousand years after they fell in battle two heroes Druss and Skilgannon are revered throughout the war-torn lands of the Drenai. Yet men and women live in abject fear of the Joinings, abominable meldings of man and beast and of their mistress the dark sorceress known as the Eternal None. Can she stave off these ruthless foes? But what if the soul of one such hero could be called back from the void his bones housed again in flesh? An ancient prophecy foretold that Skilgannon would return in his people's darkest hour. To most this is a foolish hope. But not so to Landis Kan. For years as the power of the Eternal grew Kan searched for the tomb of Skilgannon the Damned. And at last he found it, gathering up the bones and performing the mystic ritual. But the reborn hero is an enigma, a young man whose warrior skills are blunted and whose memories are fragmented. This Skilgannon is a man out of time, marooned in a world as strange to him as a dream remote from all he knew and loved. Or nearly all. Before bringing Skilgannon back Landis Kan experimented upon other bone fragments found in the hero's tomb. That ritual resulted in a surly giant who possessed astounding strength but no memories. To Kan he was a dangerous failure. But to Skilgannon this giant represented their last hope. For as the ageless evil of the Eternal threatens to drown the Drenai lands in blood, two legendary heroes will once again lead the way to freedom.

The Swords of Night and Day: A Novel of Skilgannon the Damned David Gemmell, 2005-03-01 Resurrected one thousand years after his famed battles alongside Druss the Legend Skilgannon the Damned struggles with fragmented memories in order to fulfill a prophecy that he will save war-torn Drenai from an evil sorceress and her half-man half-beast.
