## **Symbolism Astrology:**

**The Astrological Imagination** Brad Hiljanen Kochunas,2008-10-02 Many books today simply widen the field of astrology by promoting newly created techniques or championing older historical methods for investigating every possible nook and cranny of a horoscope In contrast this award winning writer points the reader in a new direction toward deepening the way that we approach and think about astrology in these post modern times Drawing upon the archetypal perspectives of Mircea Eliade James Hillman and Thomas Moore the author presents a truly psychological astrology an astrology of soul that can plumb the depths of our being sounding out our centers in a manner that enriches our struggle to fully engage what it means to be human

**Finishing the Mysteries of Gods and Symbols** Seven Star Hand,2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders Throughout this book I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things

These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth. Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them.

**Alchemical Tantric Astrology** Frederick Hamilton

Baker, 2021-06-01 Shows how the astrological cycle around the signs of the zodiac represents the alchemical transformation of consciousness and chakra awakening. Expands the meaning of each astrological sign based on its association with the chakras and the alchemical transmutation cycle from lead to gold. Offers sample chart analyses to show how you can discover your spiritual challenges and opportunities. Demonstrating the connections between astrology, alchemy, and yoga. Frederick Baker reveals how he discovered their correspondences by rotating the natural order of the zodiac, placing Aquarius and Capricorn at the bottom and Cancer and Leo at the top to reflect the alchemical order of metals from lead to gold. The Alchemical Tantric Arrangement then revealed a corresponding alchemical order of the seven traditional planets from Saturn to lead to Sun, gold, and also aligned with the seven chakras and the three major energy channels, nadis, of the Tantric yoga system, including the channel through which Kundalini energy rises from root chakra to crown chakra. Baker uses these rediscovered correspondences to expand the meaning of each astrological sign based on their association with the chakras, the alchemical transmutation cycle from lead to gold, and the wisdom of ancient myth. He also offers expanded meanings for each chakra in association with the twelve signs of the zodiac and their ruling planets, as well as new insights into the influence of Chiron and Eris. The author provides a complete analysis of his own birth chart, as well as Alchemical Tantric Astrology insights into significant events over the past few decades, including the intense changes of 2020. Baker's revolutionary new take on our individual spiritual journeys shows how the astrological cycle around the signs of the zodiac represents the alchemical and Tantric transformation of consciousness and the natural path of spiritual unfolding.

In the Florentine basilica of San Miniato al Monte is a thirteenth-century marble zodiac. Over many years, Fred Gettings unravelled the mysteries of its construction. In this book, originally published in 1987, he shows that the church was designed according to an extraordinarily significant astrological schema and embodies the mediaeval Church's desire to refute an influential contemporary prophecy of the coming of the Anti Christ. *The Secret Zodiac* shows how all the occult devices of the mediaeval artist are employed in San Miniato, from a ray of light which falls twice a year upon a particular symbol to a message concealed in code in a Latin inscription set near to the zodiac itself. The author uncovers and explains the importance of all these arcane symbols and relates each to the general and occult philosophy of the time. He concludes that San Miniato is probably the last surviving church to have been designed by initiates with a profound and explicit knowledge of astrology and
