Signs and Mysteries Mike Aquilina, 2008-08-04 Imagine the dangerous life of an early Christian You've embraced your newfound faith in Christ but fear the risk of persecution or death at the hands of the pagans living around you Then a trusted friend tells you about some of Jesus' followers who secretly meet He whispers into your ear Look for a fish carved in a paving stone by a certain home on the Via Tiburtina You smile in gratitude Still today modern society recognizes those Christian symbols that kept the early Christians safely connected they appear on churches bumper stickers mugs even mints and stuffed animals Yet we are often ignorant of the rich meaning of these symbols their origins in Scripture in ancient culture and in the preaching of the Church Fathers In this book noted author Mike Aquilina conducts an intriguing and insightful tour of the symbols that expressed the life and devotion of the Church through the first four centuries of its existence He explains how Christians freely borrowed pagan and Jewish symbols giving them new distinctly Christian meanings Recover the zeal of our spiritual ancestors as you learn to read their symbolic language and discover the impact the symbols still have on your life today More than a hundred illustrations reproduced by artist Lea Marie Ravotti from the ancient originals beautifully complement the text View a multimedia presentation and listen to an interview of the author here

Garr,2007-01-22 Biblical symbols were designed by God and by his people Israel to emphasize divine truths and to call believers to remembrance of responsibilities to worship and honor their Creator Unfortunately most Christians have been robbed of this insight by the historical church s separation from the Jewish people Restoring Christianity s Hebraic foundations is essential for equipping believers with enriched understanding of the roots of their faith Recognizing the historical and spiritual truths represented by the symbols of the Hebrew Scriptures is a profound

means of underscoring the truth of Christianity's Jewish connection *Living Emblems Ancient Symbols of Faith* presents these vivid images of a rich biblically Hebraic tradition The Shofar A Trumpet in Zion The Menorah God's Lamp Man's Light The Mezuzah A Sign at the Door The Kiddush Cup The Cup of Blessing You'll be enriched as *Living Emblems* deepens your understanding of Jesus by revealing profound truths about his life and ministry through the powerful images reflected in the ancient symbols of biblical faith Interaction between Judaism and Christianity in History, Religion, Art and Literature Marcel Poorthuis, Joshua J. Schwartz, Joseph Turner, 2008-11-30 This volume contains a variety of essays that deal with the complex relationships between Judaism and Christianity From the Jewish side particularly in Orthodox circles there is a position maintaining the independence of Judaism from outside influences including Christianity Traditional Christian theology on the other hand held a supercessionist view in which Judaism was seen merely as a historical preparation for the later revelation of Christianity Was there no real interaction When and how did Judaism and Christianity become two distinct religions When did the parting of ways take place if indeed there really was such a parting of ways The present volume takes a bold step forward by assuming that no historical period can be excluded from the interactive process between Judaism and Christianity conscious or unconscious as a polemical rejection or as tacit appropriation Symbols & Salvation Donald F.
