Synopsis Of Castanedass Interventional Radiology Paperback:

Synopsis of Castañeda's Interventional Radiology Hector Ferral, Haraldur Bjarnason, Zhong Qian (M.D.), 2001
Residents and practicing radiologists not specializing as interventionalists will appreciate this concise practical version of Dr Castañeda's interventional radiology text. The most common interventional procedures used for adults are covered providing basic important concepts from Castañeda's parent text. Emphasis is on the therapeutic rather than diagnostic aspects of interventional radiology. Readers will get the generally accepted indications and guidelines for the various procedures.

Residents can also use this as a study resource for the Board Exams. **The Practice of Interventional Radiology, with Online Cases and Video E-Book** Karim Valji, 2011-12-16
The Practice of Interventional Radiology by Dr Karim Valji presents a comprehensive approach to help you master the latest techniques. Online case studies teach you a wide range of interventional techniques such as chemoembolization of tumors, venous access, angioplasty and stenting and much more. With coverage of neurointerventional procedures, image guided non vascular and vascular procedures and interventional oncologic procedures plus access to the full text case studies, images and videos online at www.expertconsult.com you'll have everything you need to offer more patients a safer alternative to open surgery. Presents the entire spectrum of vascular and nonvascular image guided interventional procedures in a rigorous but practical, concise and balanced fashion. Stay current on the latest developments in interventional radiology including neurointerventional procedures, image guided non vascular and vascular procedures and interventional oncologic procedures. Learn the tenets of disease pathology, patient care techniques and expected outcomes and the relative merits of various treatment modalities. Find everything you need quickly and easily with consistent chapters that include patient cases, normal and variant anatomy, techniques and complications. Master procedures and recognize diseases through over 100 case studies available online which include images and interactive Q Online videos that demonstrate basic and expert level interventional techniques. Access the fully searchable text at www.expertconsult.com along with over 100 cases, 1500 corresponding images and videos. **Interventional Radiology** S. Murthy Tadavarthy, 1997
New edition of a two volume set essential for radiology residents during their angiography interventional rotations and for practitioners. Also nonradiologists will find it of value though chapters are highly technical, each contains subsections describing indications for and medical aspects and potential side effects of interventional procedures thus making current information accessible to primary care physicians seeking new and less invasive management methods. Annotation copyright by Book News Inc, Portland, OR. **The Next Step: Advanced Medical Coding and Auditing, 2013 Edition - E-Book** Carol J. Buck, 2012-12-14
