CRANE,2018 The Great Exorcism (Classic Reprint) Arthur Crane,2015-07-08 Excerpt from The Great Exorcism In 1904 I published my first book The New Philosophy and I gave away more than 29 000 copies refusing to take payment for a single one I then explained that I did not need money that I had a sufficient income to provide for my needs and pay for the book as well that it was my delight to give the book free that other men spent money on what pleased them and I was merely spending money on what pleased me Further I said that I would not sell the inspiration of the truth that had come to me that truth had no price but I also said I would not put myself in a position to be called mercenary Others who were teaching praying and healing but who themselves were not free from want were charging so much per folio for their inspirations and the world had its little joke at their expense for the practice of truth said the world should not be mercenary But I was and still am and please God ever shall be free from want yet I was then too lately emancipated to know that I could have handled the whole world's coin without fear favor or one instant's thought of danger of criticism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Great Exorcism* Arthur Crane,2014-03 This Is A New Release Of The Original 1915 Edition *Demon Hordes and Burning Boats* Paul R. *The Sinister Way* Richard von Glahn, 2004-04-20 The most striking feature of Wutong the preeminent God of Wealth in late imperial China was the deity s diabolical character Wutong was perceived not as a heroic figure or paragon of noble qualities but rather as an embodiment of humanity s basest vices greed and lust a maleficent demon who preyed on the weak and vulnerable In *The Sinister Way* Richard von Glahn examines the emergence and evolution of the Wutong cult within the larger framework of the historical development of Chinese popular or vernacular religion as opposed to institutional religions such as Buddhism or Daoism Von Glahn s study spanning three millennia gives due recognition to the morally ambivalent and demonic aspects of divine power within the common Chinese religious culture
