**A Dutch Heritage** Frank Rasky, Joan Magee, 1983-01-01  
**Industry in the Wilderness** by Frank Rasky is an account of the overcoming of natural elements in order to harvest the resource wealth of northwestern Ontario It is part of the Dundurn Local History series It is an oral history of lumberjacks gold seekers bush pilots and early hydro men Herein lies the major problem with the book Rasky attempts to cover four important aspects of northwestern Ontario in only 128 pages This impossible task is even further complicated by the fact that more than half of the book is devoted to pictures and diagrams The pictures and diagrams dominate the book to such an extent that one could ignore the

text and still find a wealth of information about the topic The diagrams of a paper mill a gold mine and a hydro electric power plant could be a valuable teaching aid to students interested in those areas The pictures are exceptionally good Umanitoba ca cm cmarchive vol12no5 industryinthewilderness html [Folsom Prison](#) Jim Brown,2008 Folsom Prison is California s second oldest prison dating back to 1880 In the decades following the Gold Rush it housed some of the state s most notorious prisoners in stone dungeon like cells behind solid metal doors was the first prison with electric power and for many years provided labor for various state projects including construction fabrication and printing of license plates Thrust into the public consciousness in the 1960s by high profile performances from country music s Johnny Cash the prison remains a notorious and legendary institution The variety of offenders housed at Folsom are incarcerated for a large gamut of criminal behavior and the California Department of Corrections has been dedicated to rehabilitation efforts throughout the facility s long history *Wake The Stone Man* Carol McDougall,2015-05-01T00:00:00Z Set in a small northern town under the mythical shadow of the Sleeping Giant *Wake the Stone Man* follows the complicated friendship of two girls coming of age in the 1960s Molly meets Nakina who is Ojibwe and a survivor of the residential school system in high school and they form a strong friendship As the bond between them grows Molly who is not native finds herself a silent witness to the racism and abuse her friend must face each day In this time of political awakening Molly turns to her camera to try to make sense of the intolerance she sees in the world around her Her photos become a way to freeze time and observe the complex human politics of her hometown Her search for understanding uncovers some hard truths about Nakina s past and leaves Molly with a growing sense of guilt over her own silence When personal tragedy tears them apart Molly must travel a long hard road in search of forgiveness and friendship **The Dividing** Devin Downing,2020-05-29 *Hunger Games* meets Brandon Sanderson in this dystopian fantasy of epic proportions Inspired by biblical theology *The Dividing* will pull you into a world of magic monsters and the most wicked of men Adamic is the language of the Gods When spoken it has the power to create worlds to raise the dead to make man as God Fortunately no one has spoken it in thousands of years The only remnants are the written spells The people of Cavernum depend on these spells They re etched into the city walls fending off the feeders deadly creatures with a thirst for human blood Yet for the lower class Cavernum isn t much safer Children starve and illness runs rampant Only the elite have access to magic and status must be earned One s class is determined by a single competition *The Dividing* Those who excel join the guild of their choice The rest are sent to the fields condemned to a life of slave labor Princess Roselyn Malik has trained her entire life for *The Dividing* She s guaranteed a spot in the royal orchestra but equalist rebels threaten her throne To secure her crown Rose must acquire the power and prestige associated with the guard Only guardsmen have access to the amulets powerful weapons that grant dominion over the elements Meanwhile in Colorado Matt will do anything to help his terminally ill adoptive mother For now that means poaching to pay the bills Until one day Matt is attacked by a feeder and plunged into the world of Cavernum There too Matt is drawn to the guard in search of a magic
