Methodist Episcopal Church. General Conference, Robert Athow West, 1844 Great Christian Jurists in English History
Mark Hill, R. H. Helmholz, 2017-06-09 The Great Christian Jurists series comprises a library of national volumes of detailed biographies of leading jurists judges and practitioners assessing the impact of their Christian faith on the professional output of the individuals studied Little has previously been written about the faith of the great judges who framed and developed the English common law over centuries but this unique volume explores how their beliefs were reflected in their judicial functions This comparative study embracing ten centuries of English law draws some remarkable conclusions as to how Christianity shaped the views of lawyers and judges Adopting a long historical perspective this volume also explores the lives of judges whose practice in or conception of law helped to shape the Church its law or the articulation of its doctrine

Parliament, 1888 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Parliamentary Debates**, 1898
