*The Great French Revolution, 1789-1793 (Classic Reprint)* Petr Alekseevich Kropotkin,2015-07-07 Excerpt from The Great French Revolution 1789 1793 The more one studies the French Revolution the clearer it is to see how incomplete is the history of that great epoch how many gaps in it remain to be filled how many points demand elucidation How could it be otherwise The Great Revolution that set all Europe astir that overthrew everything and began the task of universal reconstruction in the course of a few years was like the working of cosmic forces dissolving and re creating a world And if in the writings of the historians who deal with that period and especially of Michelet we admire the immense work they have accomplished in disentangling and co ordinating the innumerable facts of the various parallel movements that made up the Revolution we realise at the same time the vastness of the work which still remains to be done The investigations made during the past thirty years by the school of historical research represented by M Aulard and the Societe de la Revolution francaise have certainly furnished most valuable material They have shed a flood of light upon the acts of the Revolution on its political aspects and on the struggles for supremacy that took place between the various parties But the study of the economic side of the Revolution is still before us and this study as M Aulard rightly says demands an entire lifetime About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
