The Great Shakespeare Jubilee:

Garrick's Folly Johanne M. Stochholm, 2014-08-13 The great Shakespeare Jubilee festival was held at Stratford under the direction of David Garrick The occasion was the dedication of the new town hall and the presentation by Garrick of a statue of Shakespeare Immense interest enthusiasm and controversy were aroused by the plans which involved not only theatrical and rhetorical festivities but fireworks processions and a horserace This book was originally published in 1964 to coincide with the 400th anniversary of Shakespeare's birth It describes the festival which touched heights of success and depths of disaster its impact on Stratford its after effects in London especially theatrical London where rival managers tried to cash in on Garrick's idea and where Garrick turned the Stratford failure into resounding success at Drury Lane The author quotes entertainingly from newspapers memoirs and plays and illustrates her book with contemporary engravings and portraits

The Great Shakespeare Jubilee Christian Deelman, 1964 Festival organised at Stratford by David Garrick **The Great Shakespeare Jubilee. (The First Shakespeare Jubilee which David Garrick ... Organised at Stratford ... 1769.) [With Plates, Including Portraits and Facsimiles, an Endpaper Map and a Bibliography.]** Christian Deelman, 1964 **The Solo English Cantatas and Italian Odes of Thomas A. Arne** Paul F. Rice, 2020-01-08 This study examines Thomas Arne's solo cantatas and Italian odes from musical literary and social perspectives Arne composed these works between 1740 and 1774 As such they provide a means of evaluating the evolving aspects of his musical style throughout his compositional career The Italian odes have been little studied but provide an important gloss on Charles Burney's comments on Arne's inability to set the Italian language Study of the cantata texts that Arne set reveals that they are often pastiches which make use of the words of William Congreve Alexander Pope Christopher Smart and others The resulting process of adaptation and recombination re contextualizes the borrowed material resulting in differing emphases and changed meanings Arne was restricted in his career opportunities because of his Catholic faith The cantata genre provided Arne with an important creative outlet in the hedonistic atmosphere of the concerts of London's pleasure gardens

Shakespeare's House Richard Schoch, 2023-11-16 A page turning story Times Literary Supplement Eye opening Michael Billington A detailed and highly compelling story that involves so much more than bricks and mortar The Stratford Herald In the wide realm of Shakespeare worship the house in Stratford upon Avon where William Shakespeare was born in 1564 known colloquially as the Birthplace remains the chief shrine It's not as romantic as Anne Hathaway's thatched cottage it's not where he wrote any of his plays and there's nothing inside the house that once belonged to Shakespeare himself So why for centuries have people kept turning up on the doorstep Richard Schoch answers that question by examining the history of the Birthplace and by exploring how its changing fortunes over four centuries perfectly mirror the changing attitudes toward Shakespeare himself Based on original research in the archives of the Shakespeare Birthplace Trust in Stratford upon Avon and the Folger Shakespeare Library in Washington DC and featuring two black and white illustrated plate sections which

draw on the wide array of material available at the Folger Shakespeare Library and the Victoria and Albert Museum this book traces the history of Shakespeare's birthplace over four centuries Beginning in the 1560s when Shakespeare was born there it ends in the 1890s when the house was rescued from private purchase and turned into the Shakespeare monument that it remains today The Oxford Companion to Shakespeare Michael Dobson, Stanley Wells, Will Sharpe, Erin Sullivan (Cultural historian), 2015 This is a reference text on Shakespeare's works times life and afterlives It offers stimulating and authoritative coverage of every aspect of Shakespeare and his writings including their reinterpretation in the theatre in criticism and in film Frank Leslie's Sunday Magazine, 1889 Includes music *What Blest Genius?* Andrew McConnell Stott, 2019-04-02 Winner of the 2019 Marfield Prize for Outstanding Writing About the Arts The remarkable ridiculous rain soaked story of Shakespeare's Jubilee the event that established William Shakespeare as the greatest writer of all time In September 1769 three thousand people descended on Stratford upon Avon to celebrate the artistic legacy of the town's most famous son William Shakespeare Attendees included the rich and powerful the fashionable and the curious eligible ladies and fortune hunters and a horde of journalists and profiteers For three days they paraded through garlanded streets listened to songs and oratorios and enjoyed masked balls It was a unique cultural moment a coronation elevating Shakespeare to the throne of genius Except it was a disaster The poorly planned Jubilee imposed an army of Londoners on a backwater hamlet peopled by hostile and superstitious locals unable and unwilling to meet their demands Even nature refused to behave Rain fell in sheets flooding tents and dampening fireworks and threatening to wash the whole town away Told from the dual perspectives of David Garrick who masterminded the Jubilee and James Boswell who attended it *What Blest Genius* is rich with humor gossip and theatrical intrigue Recounting the absurd and chaotic glory of those three days in September Andrew McConnell Stott illuminates the circumstances in which William Shakespeare became a transcendent global icon Facts and Inventions James Boswell, 2014-06-10 James Boswell 1740 1795 best known as the biographer of Samuel Johnson was also a lawyer journalist diarist and an insightful chronicler of a pivotal epoch in Western history This fascinating collection edited by Paul Tinkard presents a generous and varied selection of Boswell's journalistic writings most of which have not been published since the eighteenth century It offers a new angle on the history of journalism an idiosyncratic view of literature politics and public life in late eighteenth century Britain and an original perspective on a complex and engaging literary personality *American Illustrated Magazine*, 1888 **Frank Leslie's Popular Monthly** Frank Leslie, 1888
