The Grey Room Eden Phillpotts, 2016-01-12 THE HOUSE PARTY The piers of the main entrance of Chadlands were of red brick and upon each reposed a mighty sphere of grey granite Behind them stretched away the park where forest trees nearly shorn of their leaves at the edge of winter still answered the setting sun with fires of thinning foliage They sank away through stretches of brake fern and already amid their trunks arose a thin blue haze breath of earth made visible by coming cold There was frost in the air and the sickle of a new moon hung where dusk of evening dimmed the green of the western sky The guns were returning and eight men with three women arrived at the lofty gates One of the party rode a grey pony and a woman walked on each side of him They chattered together and the little company of tweed clad people passed into Chadlands Park and trudged forward where the manor house rose half a mile ahead Then an old man emerged from a lodge hidden behind a grove of laurel and bay within the entrance and shut the great gates of scroll iron They were of a flamboyant Italian period and more arrestive than distinguished Panelled upon them and belonging to a later day than they had been imposed two iron coats of arms with crest above and motto beneath the heraldic bearings of the present owner of Chadlands He set store upon such things but was not responsible for the work A survival himself and steeped in ancient opinions his coat won in a forgotten age interested him only less than his Mutiny medal his sole personal claim to public honor He had served in youth as a soldier but was still a subaltern when his father died and he came into his kingdom **New**

Gary Gianni's Monstermen and Other Scary Stories Gary Gianni, 2017-08-22

Hot off the success of *Hellboy Into the Silent Sea*, Gianni's original masterpiece returns in paperback. Includes an introduction by Pulitzer Prize-winning novelist Michael Chabon. Gary Gianni created one of the strangest occult detective teams in comics history: millionaire filmmaker Lawrence St. George and his associate Benedict of the venerable guild of Corpus Monstrum. They navigate a peculiar and deadly world plagued by squid pirates, zombie cowboys, abominable snowmen, mustachioed skulls, and fat flying demons. Gianni's meticulous and evocative art, combined with his haunting but often hilarious writing, creates a horror comic unlike anything else on the stands. This book also includes classic prose stories by Robert E. Howard, Clark Ashton Smith, and more, illustrated by Gianni. These are along with a few issues of *Stan and Jack's Fantastic Four*, my all-time favorite comic book stories. Mike Mignola: Gianni is a master. The *MonsterMen* leaves no doubt the dude knows how to rock a comic book page. Michael Chabon
