## **Sweet Sweetbacks Baadasssss Song:**

*Sweet Sweetback's Baadasssss Song* Melvin Van Peebles, 1972      *Sweet Sweetback's Baadasssss Song* Von Lintel Gallery, Dawoud Bey, Radcliffe Bailey, Iona Rozeal Brown, Zoe Charlton, Renée Cox, Michael Paul Britto, Barkley L. Hendricks, Titus Kaphar, Lawrence Lee, Carrie Mae Weems, Robert A. Pruitt, Ifetayo Abdus-Salam, Mickalene Thomas, Hank Willis Thomas, 2007      **The Making of Sweet Sweetback's Baadasssss Song** Melvin Van Peebles, 1996 *Sweet Sweetback's Baadasssss Song* was a sensation when it first appeared in 1971 breaking free of any constraints made by Hollywood's filmmakers and heralding the whole era of blaxploitation cinema. It tells the story of Sweetback, one of the world's greatest lovers, so named because of what he makes women cry. Sweetback is forced on the run after being unfairly incriminated by an inept and corrupt police force. It became one of the all-time top ten grossing independent movies. This is the full screenplay of *Sweet Sweetback's Baadasssss Song*. It contains the shooting script and a journal giving the story behind the uphill and at times hysterical struggle to make it. It also includes the soundtrack of the film on an audio CD-ROM.      *A Piece of the Action* Eithne Quinn, 2019-12-31 Hollywood is often thought of and certainly by Hollywood itself as a progressive haven. However, in the decade after the passage of the Civil Rights Act, the film industry grew deeply conservative when it came to conflicts over racial justice. Amid black self-assertion and white backlash, many of the most heated struggles in film were fought over employment. In *A Piece of the Action*, Eithne Quinn reveals how Hollywood catalyzed wider racial politics through representation on screen as well as in battles over jobs and resources behind the scenes. Based on extensive archival research and detailed discussions of films like *In the Heat of the Night*, *Sweet Sweetback's Baadasssss Song*, *Super Fly*, *Claudine*, and *Blue Collar*, this volume considers how issues of race and labor played out on the screen during the tumultuous early years of affirmative action. Quinn charts how black actors leveraged their performance capital to force meaningful changes to employment and film content. She examines the emergence of Sidney Poitier and other African Americans as A-list stars, the careers of black filmmakers such as Melvin Van Peebles and Ossie Davis, and attempts by the federal government and black advocacy groups to integrate cinema. Quinn also highlights the limits of Hollywood's liberalism, showing how predominantly white filmmakers, executives, and unions hid the persistence of racism behind feel-good stories and public relations avowals of tolerance. A rigorous analysis of the deeply rooted patterns of racial exclusion in American cinema, *A Piece of the Action* sheds light on why conservative and corporate responses to antiracist and labor activism remain pervasive in today's Hollywood.      **The Soundtrack Album** Paul N. Reinsch, Laurel Westrup, 2020-02-17 *The Soundtrack Album: Listening to Media* offers the first sustained exploration of the soundtrack album as a distinctive form of media. Soundtrack albums have been part of our media and musical landscape for decades, enduring across formats from vinyl and 8 tracks to streaming playlists. This book makes the case that soundtrack albums are more than promotional tools for films, television shows, or video games; they are complex media texts that reward a detailed analysis. The collection's contributors

explore a diverse range of soundtrack albums from Super Fly to Stranger Things revealing how these albums change our understanding of the music and film industries and the audio visual relationships that drive them An excellent resource for students of Music Media Studies and Film Screen Media courses The Soundtrack Album offers interdisciplinary perspectives and opens new areas for exploration in music and media studies

Redefining Black Film Mark A. Reid, 1993-02-23 Can films about black characters produced by white filmmakers be considered black films In answering this question Mark Reid reassesses black film history carefully distinguishing between films controlled by blacks and films that utilize black talent but are controlled by whites Previous black film criticism has buried the true black film industry Reid says by concentrating on films that are about but not by blacks Reid s discussion of black independent films defined as films that focus on the black community and that are written directed produced and distributed by blacks ranges from the earliest black involvement at the turn of the century up through the civil rights movement of the Sixties and the recent resurgence of feminism in black cultural production His critical assessment of work by some black filmmakers such as Spike Lee notes how these films avoid dramatizations of sexism homophobia and classism within the black community In the area of black commercial film controlled by whites Reid considers three genres African American comedy black family film and black action film He points out that even when these films use black writers and directors a black perspective rarely surfaces Reid s innovative critical approach which transcends the black image language of earlier studies and at the same time redefines black film makes an important contribution to film history Certain to attract film scholars this work will also appeal to anyone interested in African American and Women s Studies

**of African Americans** Tom Fengel, 2018-07-02 Seminar paper from the year 2014 in the subject Didactics for the subject English Literature Works grade 1 3 Dresden Technical University language English abstract In this paper it is my objective to examine the characterization of black Americans in Blaxploitation movies to evaluate its influence on the image of African Americans Not only the cinematic image is to be questioned in this concern but also the real impression these movies gave to their viewers which also had an impact on the real life social experience Thereby we can differentiate between the black image it produced for blacks and the impression it left on the white spectators For this purpose I will firstly explain the phenomenon of Blaxploitation its content and structure and name some examples After that the historical and social background of this genre is to be analyzed in order to explain how it could emerge and why it vanished as quickly as it came into existence The depiction of African Americans in film before the 1970s is as important for further comprehension as is the rising political consciousness in the 1960s United States of America which found expression in the Civil Rights Movement After I have shown the background knowledge concerning Blaxploitation the description of the image of black people depicted in these movies will follow by analyzing the film Shaft and collecting other significant characteristics of this illustration in the genre in general using the literature on this topic The analysis will be divided into a plot analysis and a film analysis whereby the plot will show characteristics which are visible by a mere reflection of the storyline and setting The film analysis afterwards will have to find said aspects in selected scenes from the movie itself As the most appropriate books for the paper s intention I chose Framing Blackness by Ed Guerrero and Black and White Media by Karen Ross Another interesting work which suits as an informal guide to various Blaxploitation films is the book That s Blaxploitation by Darius James Furthermore the role and portrayal of women in these films is to be observed concerning the books by Ross and Guerrero and the analysis of Shaft On this basis I want to consider in the end whether the genre of Blaxploitation had a more positive or negative impact on the cinematic and real image of African Americans whereas this conclusion will presumably not be a simple statement of good or bad Moreover it is to be seen whether and how it influenced the social life of American black citizens and the future cinematic illustration of African Americanism *No Identity Crisis* Melvin Van Peebles, Mario Van Peebles, 1990 **Film History**, 1994 **People**, 2004-06 **Soundtracks & Original Cast** Jerry Osborne, Bruce Hamilton, 1981 *Jet*, 1971 *New York Times Film Reviews*, 1973
