Figart, 2004-10 Psalm 119 extols the virtues and expounds the values of the Word of God to the believer in every experience of life. To accomplish this the author of the psalm uses all twenty two letters of the Hebrew alphabet in sections of eight verses each. Every verse in the first octet begins with the letter Aleph A the second section with the letter Beth B and so on throughout the psalm. Psalm 119 begins with the prologue verses 1-13 showing the blessing of the one walking in the Word. The rest of the psalm verses 14-176 is one long prayer to Jehovah exhibiting the excellence of the Word of God and applying it to numerous needs in the psalmists experience. DeMarco, 2008-11 I had the happy privilege of partly introducing Loris to the Hebrew language. It soon became apparent that she had a rare gift. In short order she became the teacher and added greatly to the entire class. On her own she started tutoring friends including neighborhood children. She has a beautiful heart full of love for the Bible and others. It does not surprise me to see the creative work she has done. Both she and her book are bound to be a blessing. Professor Don Pickerill's "Sweeter Than Honey" is an amazing series of insights put together by Loris DeMarco. It is more than just some thoughts for devotion. It is a gift with the intention to inspire the body of Christ. The Hebrew application to the Word is as the title "Sweeter Than Honey" suggests.
