**George Smith** Rupert Guinness, 2011 George Smith is one of the greatest players Australian rugby has ever produced and certainly one of the all time best open side flankers in the world arena After becoming the fourth Wallaby and the 10th in the history of the game worldwide to reach a century of Tests Smith went on to earn 110 Test caps for Australia Throughout his career he bedazzled crowds and more importantly the opposition with the tactical brilliance technique and physicality in his game A relentless and supremely skilful terrier he was spectacularly targeted by opponents as the player they had to close down but through all such storms Smith responded heroically His glorious career included numerous best and fairest player awards in both Test and Super rugby where he played his entire career with the Canberra based Brumbies He also played in two World Cups in 2003 and 2007 and starred in numerous Test wins in the Bledisloe Cup and Tri Nations series as well as in the Wallabies stunning series victory over the British and Irish Lions when they toured to Australia in 2001 He became the 75th Wallabies captain leading Australia for the first time in the 2007 World Cup against Canada in Bordeaux and on a number of occasions afterwards But for Smith an errant youth who d been seduced by a bad crowd on Sydney s northern beaches life could have turned out disastrously barely before it started He was raised in a Tongan family as one of nine siblings and after his expulsion from Balgowlah Boys High School it was this Tongan heritage in the end which proved to be his salvation The dramatic road he s followed since throughout a stellar amateur and professional rugby career has been littered with pot

holes Some he fell into Others he avoided But as in rugby in life it's how one responds that really counts     ***Broken Open***
