**I Know Where I'm Going** Charlotte Chandler, 2010-03-02 The private Hepburn in her own words Katharine Hepburn draws on a series of interviews Chandler conducted with the actress during the 1970s and 1980s Chandler also interviewed director George Cukor Hepburn co stars Cary Grant and James Stewart and Laurence Olivier Ginger Rogers and other screen luminaries A Hollywood icon unveiled Notoriously guarded Katharine Hepburn talks candidly with Chandler about her marriage her long affair with Spencer Tracy co stars and movies and the seminal event in her life the suicide of her brother whom she adored when they were both in their teens With her unprecedented access to Hepburn Chandler has written a biography completely different from all others including Hepburn s own guarded book about herself **The Lost Girl** D. H. Lawrence, 1981-09-30 This edition of *The Lost Girl* offers a text corresponding to Lawrence s expectations **Mark of the Beast** Alfredo Bonadeo, 1989-01-23 The First World War is a watershed in the intellectual and spiritual history of the modern world On the one hand it brought an end to a sense of optimism and decency bred by the prosperity of nineteenth century Europe On the other it brought forth a sense of futility and alienation that has since pervaded European thought That cataclysmic experience is richly reflected in the work of writers and artists from both sides of the conflict and this study provides a detailed analysis of two basic themes death and degradation that mark the literature about the war From their accounts most men entered the war lightheartedly filled with ideals of patriotism and glory but these generous feelings were soon quelled as the war settled into a stalemate its operations reduced to simply grinding away the opposing forces In these operations Alfredo Bonadeo shows men became mere aggregations thrown against one another wasted with no appreciable effects or gains save carnage itself This cheapening and disregard for human life and being Bonadeo finds rooted not only in the conditions of war but significantly in a contempt for the common man prevailing in European political and intellectual circles This attitude is revealed most plainly in his analysis of the Italian literature which hitherto has received little note Italian leaders saw the war as an opportunity to expiate a sense of national guilt and here the inconclusive campaigns made their futility all the greater Out of the torn fields of the First World War grew the seeds of a second greater conflict but Professor Bonadeo concludes the flowering of the seeds was aided by the degradation of man s spirit on those fields The grim focus of this book the dead voices it evokes leads to a new appreciation of the meaning of the Great War *George Cukor's People* Joseph McBride, 2024-12-17 The director of classic films such as *Sylvia Scarlett* *The Philadelphia Story* *Gaslight* *Adam's Rib* *A Star Is Born* and *My Fair Lady* George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman s director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that s your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides

insightful and revealing essayistic portraits of Cukor's actors in their most memorable roles. The queer filmmaker gravitated to socially adventurous subversively rule-breaking audacious dreamers who are often sexually transgressive and gender fluid in ways that seem strikingly modern today. McBride shows that Cukor's seemingly self-effacing body of work is characterized by a discreet way of channeling his feelings through his actors. He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden. Cukor's wry wit, his keen sense of psychological and social observation, his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood. George Cukor's People gives him the in-depth multifaceted examination his rich achievement deserves.

**Cary Grant** Scott Eyman, 2020-10-20. Film historian and acclaimed New York Times bestselling biographer Scott Eyman has written the definitive captivating Associated Press biography of Hollywood legend Cary Grant, one of the most accomplished and beloved actors of his generation who remains as popular as ever today. Born Archibald Leach in 1904, he came to America as a teenaged acrobat to find fame and fortune, but he was always haunted by his past. His father was a feckless alcoholic, and his mother was committed to an asylum when Archie was eleven years old. He believed her to be dead until he was informed she was alive when he was thirty-one years old. Because of this experience, Grant would have difficulty forming close attachments throughout his life. He married five times and had numerous affairs. Despite a remarkable degree of success, Grant remained deeply conflicted about his past, his present, his basic identity, and even the public that worshipped him in movies such as *Gunga Din*, *Notorious*, and *North by Northwest*. This estimable and empathetic biography. The Washington Post draws on Grant's own papers, extensive archival research, and interviews with family and friends, making it a definitive and complex portrait of Hollywood's original leading man. **Katharine Hepburn** James Robert Parish, 2005. During the life of this star of the screen and icon, to thousands, one subject remained taboo despite her well-known forthrightness and often painful honesty: Was Katherine Hepburn a lesbian? This biography directly addresses and documents the numerous accounts of Hepburn's lesbian affairs, including her relationships with Laura Harding, Jane Loring, Elissa Landi, Phyllis Wilbourn, and others. In addition, it provides a re-examination of the star's noted love affair with Howard Hughes and her relationship with Spencer Tracy. Truly eye-opening.

**George Cukor** Gene D. Phillips, 1982. Arguing that a director alone can and must confer artistic unity on a motion picture, Phillips traces George Cukor's background as a stage director and movie dialogue coach. His discussions of the films are organized thematically, making it

possible to treat as a whole the Tracy and Hepburn vehicles the many adaptations of stage plays and novels and the few but striking musicals He also examines Cukor's considerable reputation as a woman's director and concludes that the indefatigably professional Cukor is the prototype of the ideal Hollywood director uncompromising and able to weather the vicissitudes of public taste and studio interference *New York Times Saturday Review of Books and Art*, 1969 *The Vanity Girl* Compton Mackenzie, 1920 *The Illustrated London News*, 1919 *A Remarkable Woman* Anne Edwards, 1990-05 **Bookman's Manual** Bessie Graham, 1928 **The Bookman's Manual** Bessie Graham, 1924 *Behind the Screen* William J.
