Sylvie Fleury Sylvie Fleury, Denis Pernet, 2011 Art and Laughter Sheri Klein, 2006-11-22 This is the first book to take seriously though not too seriously the surprisingly neglected role of humour in art Art and Laughter looks back to comic masters such as Hogarth and Daumier and to Dada Surrealism and Pop Art asking what makes us laugh and why It explores the use of comedy in art from satire and irony to pun parody and black and bawdy humour Encouraging laughter in the hallowed space of the gallery Sheri Klein praises the contemporary artist as clown often overlooked in favour of the role of artist as serious commentator and takes us on a tour of the comic work of Red Grooms Cary Leibowitz The Hairy Who Richard Prince Bruce Nauman Jeff Koons William Wegman Vik Muniz and many more She seeks out those rare smiles in art from the Mona Lisa onwards and highlights too the pleasures of the cute the camp and the downright kitsch **Sylvie Fleury** , 2012 **Minimalism and after** Renate Wiehager, DaimlerChrysler, 2007 This volume presents works that have been purchased by the DaimlerChrysler Collection initially only interested in Southern German artists but now international and mainly minimalist Each work is introduced examined and put in context **Contemporary Art: A Very Short Introduction** Julian Stallabrass, 2006-03-23 Bloodied toy soldiers gilded shopping carts and Lego concentration camps Contemporary art is supposed to be a realm of freedom where artists shock break taboos and switch between confronting viewers with works of great profundity and jaw dropping triviality But away from shock tactics in the gallery there are many unanswered questions What is contemporary about contemporary art What effect do politics and big business have on art And who really runs the art world Previously published as Art Incorporated this controversial and witty Very Short Introduction is an exploration of the global art scene that will change the way you see contemporary art BOOK JACKET

Artscribe International ,1991 Sylvie Fleury Thierry Davila,Ingrid Luquet-Gad,2021-02-23 This installation of Sylvie Fleury consists of household furnishings in where every piece of furniture is covered with fake fur a fabric common in Fleury's work But Fleury's Bedroom Ensemble II also pays homage to an artist who similarly raised the pedestrianism of trivial objects to the level of monumental sculpture In 1963 Claes Oldenburg recreated bedrooms under this same title distorting their perspectives to enhance the effect of depth and create a disconnection with reality With her own vocabulary of textures and colors Fleury pushes Oldenburg's proposition to its limits This book is the first comprehensive study devoted to this work and to the relationships between this installation and the other works of the artist belonging to the collection of the museum
