R. J. Stove,2011-12-08 C sar Franck 1822 1890 Belgian born and French domiciled was one of the most remarkable composers of the 19th century A number of his works are commonly recorded such as his Symphony in D Minor Symphonic Variations Violin Sonata and the ever popular Panis Angelicus and yet 38 years have elapsed since a biography of him appeared in English Now with C sar Franck His Life and Times R J Stove fills this gap in the history of late 19th century classical music with a full length study of the man and his music Drawing on sources never before cited in English Stove paints a far more detailed picture of this great musician and deeply loved man whose influence in both his native and adopted lands was exceptional Stove carefully delves into intimate matters of Franck s life including his resilience in the face of his exploitation as a child prodigy at the piano his development from a shy and harassed piano teacher into one of the most sought after luminaries of Paris s Conservatoire and the truth behind Franck s alleged affair with one of his students Throughout his study Stove interweaves panoramic surveys of the political and social scene in Belgium and France contextualizing Franck s achievements in his historical milieu from his rise as a recognized master of the organ to his dealings with significant composers such as Liszt Gounod Saint Sa ns Massenet Chabrier and others C sar Franck His Life and Times is an engagingly written biography sure to interest classical music listeners of all stripes [Lutoslawski and His Music](#) Steven Stucky,1981-06-11 The composer Witold Lutostawski born 1913 is one of the outstanding musical personalities of the twentieth century In this critical biography Steven Stucky traces Lutostawski s development from the Stravinsky

influenced music of his student days to his emergence in the 1960s as a leading avant gardist Since the vicissitudes of cultural life in his native Poland have profoundly affected the composer s career the book includes detailed accounts of Lutostawski s official censure for formalism in the late 1940s and the leading role he later played in a flourishing Polish modernist movement Both well known works such as the Concerto for Orchestra Trois poemes d Henri Michaux and the Second Symphony and the lesser known early music are considered in detail Fragments of many compositions never before published in the West are included There are also analytical summaries of each major work from Jeux v itiens 1961 to Mi parti 1976

Mazzaoui,1981-07-09 This book traces the dynamic advances in textile technology and changes in the structure of demand that accompanied the rise in the late Middle Ages of an Italian industry geared to mass production of cotton fabrics The Italian manufacture based on borrowed techniques and imitations of Islamic cloth was the earliest large scale cotton industry in western Europe It thus marked a pivotal stage in the transmission of the knowledge and use of this textile fibre from the Mediterranean basin to northern Europe The success of the Italians in creating new markets for a wide variety of products that included pure cotton as well as mixed fabrics combining cotton with linen hemp wool and silk permanently altered the patterns of taste and consumption in European society Cotton in various stages of proceeding was at the heart of a complex network of communications that linked the north Italian towns to the source of raw materials and to international markets for finished goods In the developing urban economy of northern Italy cotton played a role comparable in magnitude to that of wool and shared with the latter certain basic features of early capitalistic organization
