The Selected Poems of Frank O'Hara Frank

O'Hara, 1991 An anthology of Frank O'Hara's finest poems selected by Donald Allen *Select Poems of Sidney Lanier*

Sidney Lanier, 1895 *The School Journal*, 1895 *Far from Nothing* Zoltán Böszörményi, 2006 Ripe with love money and power the story of 35-year-old Rudolf set in a fast-paced urban environment begs the question Do we only think we exist Rudolf and his wife work day and night hoping for a better life he is a philosophy graduate student and the manager of a car dealership He also keeps up a heart-wrenching relationship with the chic Wanda Then there is Nina who studies logic but is secretly a prostitute and Alfred owner of a car leasing company seemingly upright but actually an embezzler Each character conceals something Be it in Hungary or North America the craving for existential clarity remains strong **100 Love**

Sonnets Pablo Neruda, 2007 Celebrating the works of a great Chilean poet this collection offers a vibrant translation of Neruda's sensual and erotic poetry Famous for his politically engaged lyrics the Nobel Laureate also wrote bold and sexual sonnets and this compilation captures the spirit and verbal dexterity of the lesser-known genre These sonnets from one of the most influential and beloved 20th-century poets accompany questions for discussion and lists of recommended readings and related websites

Symphony Number One and Selected Poems Andrew Oerke, 1999 This work is the first part of a trilogy It investigates the nature of human identity and concludes that who we really are is created by our individual common and uncommon choices of words and is revealed in the true equations between words and actions **Select Poems of**

Goethe Johann Wolfgang von Goethe, 1886 *Ontological Necessities* Priscila Uppal, 2006 Written with the verve of the uninhibited artist but with a clarity of thought and expression more akin to the scientist or scholar these poems investigate the emotional and philosophical struggles of contemporary life Often sparked by the horrors depicted in today's news the poems combine surrealist images with spare and lyrical language to grapple with an increasingly absurd world The most ambitious piece in the collection is a radical post-9/11 translation of the Anglo-Saxon elegy *The Wanderer* and other poems

include Don Quixote You Sure Can Take One Helluva Beating Film Version of My Hatred Never Held a Gun and The Romantic Impulse Hits the Schoolyard **The German Prisoner** James Hanley,2006 Brilliant in its stark depiction of trench warfare in World War I this lost classic was privately printed in a limited edition in 1930 British censors initially suppressed the short novel because of its tough antiwar views and sympathetic portrayals of German soldiers and even today s readers may be unprepared for its scenes of horrific battlefield carnage and men driven to madness by relentless psychological stress Providing a new view of an underappreciated Canadian author the book also stands as a fascinating addition to the comparatively small shelf of literature by writers who fought in the Great War **Green** Marilyn Bowering,2007 Echos of Frederico Garc a Lorca Yiannis Ritsons and Rumi add exoticism to this poet s deceptively simple style Combining confession with analytical rigor most of these poems are variations on classic themes but they are driven by the particulars of politics love and family life As the poems progress repeated symbols such as cars coats cups rooms bees and roses begin to hint that the poet has a secret recipe for contentment home and hearth travel warm weather and a belief in human growth **Asterisks** David Wevill,2007 Poems written with clarity and craftsmanship this collection contemplates what is real and observable versus what is not The verses are like asterisks that refer to somewhere else and they strike with meditative depth and spiritual strength Drawn from experiences in Burma England Spain and the United States these words depict moments in time and step back into silence *Select Poems of William Wordsworth* William Wordsworth,1889 *Gems of Poetry* ,1880 **The English Catalogue of Books: v. [1]. 1835-1863** Sampson Low,James Douglas Stewart,1891 **Selected Poems of Christina G.
