The Great Beyond 1947:

Phenomenology in a New Key: Between Analysis and History Jeffrey Bloechl, Nicolas de Warren, 2015-01-19 In this collection of essays the sophistication and vibrancy of contemporary phenomenological research is documented including both its engagement with key figures in the history of philosophy and with critical problems defining future directions of philosophical investigations It honors the writings of Richard Cobb Stevens whose work in phenomenological philosophy analytic philosophy and the history of philosophy has served as model for generations of philosophers working between these three fields of research The essays collected in this volume provide a unique window on the contemporary state of the art in phenomenological philosophy by leading scholars of international reputation from North America and Europe Historical figures such as Aristotle and Hobbes are innovatively brought into dialogue with phenomenological thinking Phenomenological thinking is brought to bear on a wide variety of problems from the nature of artworks and photography to questions concerning consciousness and knowledge Among the topics discussed in these specially commissioned essays phenomenology and Aristotle the nature of the primal ego Hobbes and Husserl intentionality and reference Neo Aristotelian ethics Husserl and Wittgenstein photography the nature of artworks *LAB SPILL; a comedy. maybe.* Robert Rife, 2022-08-08 Mutants monsters mayhem murder and love sort of An odd couple lost in the Waydowns Lost in the toxic creature infested lower levels of an ancient buried starship A Coiler is coming It ain t friendly it s hungry Escape seems impossible rescue unlikely and a quick death too much to hope for RL and Jayderay are having one of those days It wont last long *The Other Renaissance* Rocco Rubini, 2014-12-22 This title offers a cultural translation of modern Italian intellectual and philosophical history a development book ended by Giambattista Vico and Antonio Gramsci It shows Italian philosophy to have emerged during the age of the Risorgimento in reaction to 18th century French revolutionary and rationalist standards in politics and philosophy and in critical assimilation of the German reaction to the same mainly Hegelian idealism and eventually Heideggerian existentialism This is the story of modern Italian philosophy told through the lens of Renaissance scholarship **Brotherhood of Locomotive Firemen and Enginemen's Magazine** ,1949 **Retail Gangster** Gary Weiss, 2022-08-23 A biography of the spectacular rise and fall of Eddie Antar better known as Crazy Eddie whose home electronics empire changed the world even as it turned out to be one of the biggest business scams of all time Back in the fall of 2016 we heard the news about the passing of Eddie Antar Crazy Eddie as he was known to millions of people the man behind the successful chain of electronic stores and one of the most iconic ad campaigns in history Few things evoke the New York of a particular era the way Crazy Eddie His prices are insaaaaane does The journalist Herb Greenberg called his death the end of an era and that couldn t be more true What s insane is that his story has never been told Before Enron before Madoff before The Wolf of Wall Street Eddie Antar s corruption was second to none The difference was that it was a street franchise a local place that was in the blood stream of everyone s daily life in the 1970s and early 80s And Eddie pulled it off

with a certain style and in your face blue collar chutzpah Despite the fact that then U S Attorney Michael Chertoff called him the Darth Vader of capitalism after the extent of the fraud was revealed one of the largest SEC frauds in American history after Crazy Eddie's stores went public in 1984 Eddie was talked about fondly by the people who worked for him They still do there are myriads of ex Crazy Eddie employee web pages that still attract fans and the Crazy Eddie fraud scheme is now taught in every business school across the United States Many years have passed since the franchise went down in spectacular fashion but Crazy Eddie's moment has endured the way that iconic brands and characters do one only need Google the media outpouring that accompanied his death Maybe it's because it crystallized everything about 1970s New York almost perfectly the merchandise and rise of consumer electronics stereos the ads cheesy the money cash In Retail Gangster investigative journalist Gary Weiss takes readers behind the scenes of one of the most unbelievable business scam stories of all time a story spanning continents and generations reaffirming the old adage that the truth is often stranger than fiction
