"The soul of a cat is a mystery, and a cat's soul even more so."

—ANTON CHEKHOV (1860-1904)

They can be fascinating or frustrating, endearing or funny, but judging from the amount of thought humans have devoted to figuring out what goes on in their feline heads, it's no wonder cats have become America's favorite pets. They have also long been the favorite pets of some of our greatest writers—Mark Twain, Dorothy L. Sayers, Rudyard Kipling, Jack London, and many others. In *The Greatest Cat Stories Ever Told*, you will find stories that range from the ancient to the modern, from the familiar to the new. It will come as a surprise, with some exceptions, to those who know that F. G. Woodhouse's charmingly whimsical version of "The Story of the Cat" is Edgar Allan Poe's chillingly macabre tale of "The Black Cat."

This diverse collection is a testament to the enduring mystery of these remarkable animals. Each story is a masterpiece of its kind, and this book will make a perfect gift for any cat lover.
