The Good Friday Murder:

The Good Friday Murder Lee Harris,2015-09-16 Holy day Unholy murder Christine Bennett has just left the cloistered world of nuns but soon finds herself volunteering to investigate a forty year old murder Pursuing this mission with her old religious zeal she ll move heaven and earth in noble effort to exonerate a pair of twin brothers now senior citizens of their mother s murder on Good Friday in 1950 Fit for duty on the front pews of crime solving nothing will deter Christine from uncovering who really committed the most unholy act on the holiest of days

[The Happy Birthday Murder](#) Lee Harris,2015-09-16 IT S PARTY TIME FOR A KILLER Suburban sleuth Christine Bennett is moved and intrigued by two poignant mementos treasured by her late Aunt May The first is a sad little note mourning the death of a young man lost in a Connecticut wood the other an obituary honoring a wealthy local manufacturer who committed suicide just after his splendid fiftieth birthday celebration Why did her aunt never mention these virtually simultaneous tragedies Chris s investigative instincts are irresistibly whetted especially by the bizarre discovery that the victims though strangers were found wearing each other s sneakers And as she slices through the layers of the past she uncovers the horrible truth that murder was just the icing on the cake

[Cyclopaedia Bibliographica](#) James Darling,1859 *Relationality and the Concept of God* Henry Jansen,2025-02-10 Classical theism the dominant tradition in Christian theology has stressed the metaphysical concept of God i e God s ontological transcendence and independence from the world In this century however this concept of God has increasingly met with criticism On the basis of the Bible and new philosophical considerations it is argued that a relational concept of God better answers the fundamental concerns of the Christian faith In this book the author investigates the questions of whether one can conceive of God apart from the metaphysical attributes and whether reflection on the biblical depiction of God leads necessarily to a relational concept of God The author explores the questions by examining the relational concepts of God found in two contemporary German theologians J rgens Moltmann and Wolfhart Pannenberg and uses the divine attribute of immutability as a focus for the discussion He argues that the relational concept of God presupposes another metaphysical conception of God which raises problems as serious as those in classical theism and that the Bible itself because of its nature as a narrative text is ambiguous in many respects as far as God is concerned A truly Christian doctrine of God must take both the metaphysical and relational aspects of God into account
