The Great Holocaust Trial:

The Holocaust on Trial Robert Lenski, 1989 **The Case for Auschwitz** Robert Jan van Pelt, 2016-03-23 From January to April 2000 historian David Irving brought a high profile libel case against Penguin Books and Deborah Lipstadt in the British High Court charging that Lipstadt's book *Denying the Holocaust* 1993 falsely labeled him a Holocaust denier. The question about the evidence for Auschwitz as a death camp played a central role in these proceedings. Irving had based his alleged denial of the Holocaust in part on a 1988 report by an American execution specialist Fred Leuchter which claimed that there was no evidence for homicidal gas chambers in Auschwitz. In connection with their defense, Penguin and Lipstadt engaged architectural historian Robert Jan van Pelt to present evidence for our knowledge that Auschwitz had been an extermination camp where up to one million Jews were killed mainly in gas chambers. Employing painstaking historical scholarship, van Pelt prepared and submitted an exhaustive forensic report that he successfully defended in cross examination in court.

Understanding and Teaching the Holocaust Laura Hilton, Avinoam Patt, 2020-07-21 Few topics in modern history draw the attention that the Holocaust does. The Shoah has become synonymous with unspeakable atrocity and unbearable suffering. Yet it has also been used to teach tolerance, empathy, resistance, and hope. *Understanding and Teaching the Holocaust* provides a starting point for teachers in many disciplines to illuminate this crucial event in world history for students. Using a vast array of source materials from literature and film to survivor testimonies and interviews, the contributors demonstrate how to guide students through these sensitive and painful subjects within their specific historical and social contexts. Each chapter provides pedagogical case studies for teaching content such as antisemitism, resistance, and rescue, and the postwar lives of displaced persons. It will transform how students learn about the Holocaust and the circumstances surrounding it.

The Right Wrong Man Lawrence Douglas, 2018-01-08 Now the subject of the Netflix documentary *The Devil Next Door*, the incredible story of the most convoluted legal odyssey involving Nazi war crimes. In 2009 *Harper's Magazine* sent war crimes expert Lawrence Douglas to Munich to cover the last chapter of the lengthiest case ever to arise from the Holocaust: the trial of eighty-nine year old John Demjanjuk. Demjanjuk's legal odyssey began in 1975 when American investigators received evidence alleging that the Cleveland autoworker and naturalized US citizen had collaborated in Nazi genocide. In the years that followed, Demjanjuk was stripped of his American citizenship and sentenced to death by a Jerusalem court as Ivan the Terrible of Treblinka, only to be cleared in one of the most notorious cases of mistaken identity in legal history. Finally in 2011, after eighteen months of trial, a court in Munich convicted the native Ukrainian of assisting Hitler's SS in the murder of 28,060 Jews at Sobibor, a death camp in eastern Poland. An award-winning novelist as well as legal scholar, Douglas offers a compulsively readable history of Demjanjuk's bizarre case. *The Right Wrong Man* is both a gripping eyewitness account of the last major Holocaust trial to galvanize world attention and a vital meditation on the law's effort to bring legal closure to the most horrific chapter in modern history. West Germans and the

Nazi Legacy Caroline Sharples, 2011-12-21 This book constitutes a new history of the complex memory cultures that persisted within post war West Germany examining the attitudes of ordinary people to the second wave of Nazi war crimes trials ushered in during the 1960s It explores responses to the prospect of continuing investigations the reception afforded to the defendants and the sheer resonance that such proceedings could generate within a local community Drawing upon case studies from across the Federal Republic it bridges a gap between the current historiography and localised memory studies and analyses of war crimes trials Far from viewing the 1960s as an uncomplicated decade of change this book emphasises the range of voices that were competing to make themselves heard during this period whether they came from survivors groups crusading journalists and students or from former prisoners of war veterans organisations and the war widowed This diversity of opinion and experience enabled the persistence of silences distortions and mythologies that could afford some level of distance to be imposed between the perpetrators of the Nazi genocide and the ordinary West German population The process of coming to terms with the past was thus complicated and protracted

The Enemy of My Enemy George Michael, 2006 In the violent world of radical extremists the enemy of my enemy is my friend This study reveals how that precept plays out in the unexpected bonding between militant Islam and the extreme right in America and Europe It provides an insightful and sane look at the possibilities for collaboration between these groups
