*The Great Return* Arthur Machen, 2022-08-01 In *The Great Return* Arthur Machen crafts a tale that perfectly intertwines the mystical with the real showcasing his mastery of supernatural and fantastical narratives. The story rich in religious and metaphysical overtones follows the extraordinary events that unfold in a small Welsh town after the rumored return of the Holy Grail. Machen's prose embroidered with eloquence and an almost poetic cadence captures the transformation of the mundane into the sacred and the profound impact on the townsfolk. The narrative deserves recognition not only for its content but also for its exceptional literary style placing it within the context of both modernist and gothic literary traditions. Machen's work is a daring exploration of spiritual awakening and the ineffable mysteries that lie just beyond the veil of the visible world. Arthur Machen, a Welsh author and mystic of the late 19th and early 20th centuries, was deeply influenced by the rich folklore of his homeland as well as his own mystical experiences. *The Great Return* is redolent of Machen's thematic preoccupations: the thin divide between the natural and the supernatural and the quest for a deeper truth. His works often echo the urgency to preserve a sense of wonder and the inexplicable in a rapidly modernizing world. This underlying philosophy entwined with Machen's intricate knowledge of esoteric and occult traditions imbues his narrative with a sense of authenticity and profound inquiry into the divine. Lovers of classic literature and aficionados of the supernatural will be equally enthralled by *The Great Return*. This edition lovingly brought forth by DigiCat Publishing invites a new generation of readers to immerse themselves in the rich tapestry of themes and stylistic grandeur that Machen has to offer. The book is highly recommended for readers who appreciate a narrative that provokes existential contemplation, challenges the boundaries of the material world, and celebrates the mysterious beauty of the unseen. As a testament to the enduring legacy of human imagination and spiritual quest, Machen's opus is an essential addition to the canon of fantastic literature.

*The Great Return* Carol Ann Larsen, 2020-10-01 *The Great Return: A Plea for Christian Unity* By Carol Ann Larsen. *The Great Return: A Plea for Christian Unity* is a thought-provoking study of the Catholic Church and how Christians unified under one denomination can strengthen modern society. Carol Ann Larsen explores the history of Catholicism and how standards implemented hundreds of years ago have negatively impacted the church and society at large. The issues of divorce, birth control, sexual abuse, abortion, and female clergy are scrutinized using a modern-day lens. She examines how the Reformation of the 1500s has led to a diluted version of Christianity that does not meet the needs of their constituents. Carol also takes on the modern phenomena of the mega church and how their vague yet materialistic message of Christianity negatively impacts their congregations. Carol presents a path for how all denominations united under the Catholic Church can move forward.
