

The background of the book cover is a vibrant sunset or sunrise scene. The sky transitions from a deep orange at the horizon to a darker, almost black, at the top. The sun is a bright, glowing orb positioned slightly to the left of the center, casting a long, horizontal lens flare across the middle of the cover. The overall texture of the background appears slightly grainy or like a high-quality print.

The Genesis Factor The Amazing Mysteries Of The Bible Codes:

The Genesis Factor Yacov A. Rambsel, 2000 Beginning with the very first verse of Genesis and continuing through its entire first chapter Yacov Rambsel has found a magnificent matrix of insights which are cryptologically structured words phrases and even statements that reach beyond time and space as we know it Without the aid of modern computers he has utilized the code technique known as equidistant letter sequence ELS to discover an immense mine of deeply embedded jewels of biblical revelation in this foundational chapter of Genesis The Numerical Structure of the Holy Bible Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study **ESL Doxography 101** Clark Von Heller, 2006-09 Doxography takes language instruction in a bold new direction guided by Affective Teaching techniques allowing language students to use right brain effectively **The Shadow Of The Apocalypse** Paul Crouch, 2004-10-05 What if the Bible prophecies are true What if the anti Christ is among us now What if the end of the world is at hand Are you prepared Paul Crouch minister television personality and cofounder of Trinity Broadcasting Network provides answers as he reveals shattering truths found in the hidden prophecies of the Bible As the most overwhelming and frightening Last Day prophecies are beginning to cast their shadows on an unsuspecting world Crouch offers an opportunity to find meaning in current world events and reminds us that everything ultimately leads to the Second Coming of Jesus Christ Reading The Shadow of the Apocalypse is like reading tomorrow's news headlines Read this book today Dr Jack Van Impe author of Revelation Revealed This book is about an alarming topic and yet Paul Crouch infuses it with the eternal promise from Christ Tim LaHaye co author of Left Behind **Religion, Supernaturalism, the Paranormal and Pseudoscience** Homayun Sidky, 2019-11-30 Religion Supernaturalism the Paranormal and Pseudoscience provides a comprehensive rejoinder to the challenges posed to science scientific anthropology evolutionary theory and rationality by the advocates of supernatural paranormal and pseudoscientific perspectives and modes of thought associated with the current rise of irrationalism antiintellectualism and emboldened religious fundamentalism and violence Drawing upon H Sidky's scientific anthropological background and ethnographic field research of supernatural and paranormal beliefs and practices in several cultures over three decades the book answers several important questions Why do humans have a proclivity for the supernatural and paranormal thinking Why has humanity remained shackled to sets of ideas inherited from a violent past that have no basis in reality and which bestow an illusory solace promote bloodshed endless cruelties and fervent hatreds and have come at a high cost Why have ancient superstitions been held as sacred inviolate truths while other
