

# THE GENTEEEL TRADITION

NINE ESSAYS BY GEORGE SANTAYANA

EDITED WITH AN INTRODUCTORY BY DOUGLAS L. WILSON

BISON BOOKS INTRODUCTION BY ROBERT DAVIDOFF

# The Genteel Tradition Nine Essays

**George Santayana**

## **The Genteel Tradition Nine Essays:**

The Genteel Tradition George Santayana,1967    The Genteel Tradition George Santayana,1967 George Santayana probably did more than anyone except Alexis de Tocqueville to shape the critical view of American culture The great Spanish philosopher and writer coined the phrase genteel tradition introducing it to a California audience in 1911 That address appears in this collection of nine essays touching on American idealism and materialism and American endeavor sacred and profane

**The Cambridge History of the American Essay** Christy Wampole,Jason Childs,2023-12-14 From the country s beginning essayists in the United States have used their prose to articulate the many ways their individuality has been shaped by the politics social life and culture of this place The Cambridge History of the American Essay offers the fullest account to date of this diverse and complex history From Puritan writings to essays by Indigenous authors from Transcendentalist and Pragmatist texts to Harlem Renaissance essays from New Criticism to New Journalism The story of the American essay is told here beginning in the early eighteenth century and ending with the vibrant heterogeneous scene of contemporary essayistic writing The essay in the US has taken many forms nature writing travel writing the genteel tradition literary criticism hybrid genres such as the essay film and the photo essay Across genres and identities this volume offers a stirring account of American essayism into the twenty first century

The Genteel Tradition. Nine Essays ... Edited by Douglas L. Wilson George Santayana,1967    T. S. Eliot and Christian Tradition Benjamin G. Lockerd,2014-06-18 T S Eliot

was raised in the Unitarian faith of his family in St Louis but drifted away from their beliefs while studying philosophy mysticism and anthropology at Harvard During a year in Paris he became involved with a group of Catholic writers and subsequently went through a gradual conversion to Catholic Christianity Many studies of Eliot s writings have mentioned his religious beliefs but most have failed to give the topic due weight and many have misunderstood or misrepresented his faith More recently scholars have begun exploring this dimension of Eliot s thought more carefully and fully In this book readers will find Eliot s Anglo Catholicism accurately defined and thoughtfully considered Essays illuminate the all important influence of the French Catholic writers he came to know in Paris Prominent among them were those who wrote for or were otherwise associated with the *Nouvelle Revue Française* including André Gide Paul Claudel and Charles Louis Philippe Also active in Paris at that time was the notorious Charles Maurras whose influence on Eliot has been exaggerated by those who wished to discredit Eliot s traditionalist views A more measured assessment of Maurras s influence has been needed and is found in several essays here A wiser French Catholic writer Jacques Maritain has been largely ignored by Eliot scholars but his influence is now given due consideration The keynote of Eliot s cultural and political writings is his belief that religion and culture are integrally related Several contributors examine his ideas on this subject placing them in the context of Maritain s ideas as well as those of the Catholic historian Christopher Dawson Contributors take account of Eliot s intellectual relationship with such figures as John Henry Newman Charles Williams and the expert on church architecture W

R Lethaby Eliot's engagement with other contemporaries who held a variety of Christian beliefs including George Santayana Paul Elmer More C S Lewis and David Jones is also explored This collection presents the subject of Eliot's religious beliefs in rich detail from a number of different perspectives giving readers the opportunity to see the topic in its complexity and fullness

Cultural Conservatism, Political Liberalism James Seaton, 1996 Examines whether cultural studies has been too

dismissive of the tradition of literary cultural criticism that preceded it

**American Philosophy: An Encyclopedia** John

Lachs, 2008-03-31 The Encyclopedia of American Philosophy provides coverage of the major figures concepts historical periods and traditions in American philosophical thought Containing over 600 entries written by scholars who are experts in the field this Encyclopedia is the first of its kind It is a scholarly reference work that is accessible to the ordinary reader by explaining complex ideas in simple terms and providing ample cross references to facilitate further study The Encyclopedia of American Philosophy contains a thorough analytical index and will serve as a standard comprehensive reference work for universities and colleges Topics covered include Great philosophers Emerson Dewey James Royce Peirce Santayana Subjects Pragmatism Progress the Future Knowledge Democracy Growth Truth Influences on American Philosophy Hegel Aristotle Plato British Enlightenment Reformation Self Assessments Joe Margolis Donald Davidson Susan Haack Peter Hare John McDermott Stanley Cavell Ethics Value Pleasure Happiness Duty Judgment Growth Political Philosophy Declaration of Independence Democracy Freedom Liberalism Community Identity

**Bayard Taylor** Liam Corley, 2014-08-21

Bayard Taylor 1825 1878 was a nineteenth century American who combined in his writings and career a catalog of accomplishments and creations that made him one of the most celebrated literary men of his time The range and significance of Taylor's oeuvre explains his growing importance today to scholars working in the fields of American studies gender and queer theory and the aesthetics of racial and class identities In less than 35 years he wrote seventeen volumes of poetry four novels eight critical works and translations of German classics nineteen travel narratives innumerable magazine essays stories and reviews and thousands of letters to friends admirers hostile reviewers business acquaintances and intimate male companions His extraordinary success on the public lecture circuit made him one of the best known men of his day Taylor's diplomatic career enhanced his reputation and influence as a travel writer and included service as a writer for the Perry Expedition to Japan as a charge d'affaires to Russia during the Civil War and ambassador to Germany in 1878 This analysis of Taylor's life and works helps to explain three important shifts in American culture the contradictory development of American ethnocentrism and cosmopolitanism in the nineteenth century the impact of homophobia and homophilia upon American literary production criticism and culture and the inspirational role played by poetry within a religious and economically driven society The introduction describes Taylor's changing fortunes within literary history and presents a methodological approach to the Genteel tradition that recovers its distinctive aesthetic and social values and explains how Taylor is its most winning and significant representative Taylor was a key figure in the genealogy of American interactions with the Islamic

world and his travel writing demonstrates how individual advancement in an egalitarian society can be linked with aggressive imperialism abroad Taylor's novels display a subtle pattern of transgressive sexuality and demonstrate how Taylor's manipulation of reputation and genteel aesthetics created a space for individual expression and freedom Taylor's 1870 novel *Joseph and His Friend* is frequently cited as America's first gay novel This book's analysis of Taylor's poetry draws the strands of egalitarian racialization and male male intimacy together with his abiding concern with regional American identities and the mixed influences of religious subcultures

**Chicago** Frederik Byrn Køhlert, 2021-09-23 Chicago occupies a central position in both the geography and literary history of the United States From its founding in 1833 through to its modern incarnation the city has served as both a thoroughfare for the nation's goods and a crossroads for its cultural energies The idea of Chicago as a crossroads of modern America is what guides this literary history which traces how writers have responded to a rapidly changing urban environment and labored to make sense of its place in and implications for the larger whole In writing that engages with the world's first skyscrapers and elevated railroads extreme economic and racial inequality a growing middle class ethnic and multiethnic neighborhoods the Great Migration of African Americans and the city's contemporary incarnation as a cosmopolitan urban center Chicago has been home to a diverse literature that has both captured and guided the themes of modern America

**Modern Women, Modern Work** Francesca Sawaya, 2013-04-19 Focusing on literary authors social reformers journalists and anthropologists Francesca Sawaya demonstrates how women intellectuals in early twentieth century America combined and criticized ideas from both the Victorian cult of domesticity and the modern culture of professionalism to shape new kinds of writing and new kinds of work for themselves Sawaya challenges our long standing histories of modern professional work by elucidating the multiple ways domestic discourse framed professional culture Modernist views of professionalism typically told a racialized story of a historical break between the primitive feminine and domestic work of the Victorian past and the modern masculine professional expertise of the present Modern Women Modern Work historicizes this discourse about the primitive labor of women and racial others and demonstrates how it has been adopted uncritically in contemporary accounts of professionalism modernism and modernity Seeking to recuperate black and white women's contestations of the modern professions Sawaya pairs selected novels with a broad range of nonfiction writings to show how differing narratives about the transition to modernity authorized women's professionalism in a variety of fields Among the figures considered are Jane Addams Ruth Benedict Willa Cather Pauline Hopkins Zora Neale Hurston Sarah Orne Jewett Josephine St Pierre Ruffin and Ida Tarbell In mapping out the constraints women faced in their writings and their work and in tracing the slippery compromises they embraced and the brilliant adaptations they made Modern Women Modern Work boldly reenvisiones the history of modern professionalism in the United States

**Gold-diggers in the Literature and Popular Culture of the 1920's and 1930's** Clarence Ray Slavens, 2003

Randolph Bourne and the Politics of Cultural Radicalism Leslie J. Vaughan, 1997 Reassesses the short life and career of

American essayist critic and founder of cultural radicalism Bourne 1886 1918 known today mostly for his opposition to US military involvement in Europe and warnings about the military industrial complex Vaughan political science U of Minnesota Duluth argues that his stance from outside establishment perspectives was not a retreat from politics as many have claimed but a form of political engagement free from the suppositions that impede genuine debate and democratic change Annotation copyrighted by Book News Inc Portland OR The Presidencies of James A. Garfield & Chester A. Arthur Justus D.

Doenecke, 1981 This is the first single volume to focus on the presidencies of both James A Garfield and Chester A Arthur Drawing from a host of studies on the foreign and domestic policies of the nation during the Gilded Age as well as from his own primary research the author presents a somewhat revisionist look at Garfield and Arthur revisionist in that he gives the reader a renewed appreciation of both men Far from being cynical spoilsman or naive incompetents individuals whose presidencies provide studies in ineptitude Garfield and Arthur emerge as men of considerable ability While making no claims of greatness Doenecke maintains that each was a significant transitional figure playing a crucial role as the institution of the presidency moved from the weak leadership of Andrew Johnson to the forceful direction of Theodore Roosevelt According to Doenecke Garfield saw the office of chief executive primarily in administrative terms and his great battle was over keeping the power of appointment in his own hands His victory over the Stalwarts enhanced both the power and prestige of the office His knowledge of how government worked was unmatched long before Woodrow Wilson made his mark Garfield was the scholar in politics The diplomacy of Secretary of State James G Blaine comes under critical scrutiny Doenecke evaluates his performance in the Chile Peru War War of the Pacific the Guatemala Mexico dispute the isthmian canal issue Irish American activities in Britain and efforts to secure markets in Korea br Garfield was assassinated less than six months after he entered office he had yet to be tested on major issues of public policy Chester A Arthur was ill prepared to be chief executive was in poor health much of the time while he was in office and was faced with a hopelessly divided party Nevertheless he was one of the nation s great political surprises His administration pioneered in the development of the navy sought foreign markets for American surpluses fostered civil service reform and pressed for a scientific tariff Doenecke devotes one chapter to the spoils system and the background to the Pendleton Act one to Arthur s strategy regarding the South and then offers an in depth analysis of diplomacy during Arthur s tenure During the presidencies of Garfield and Arthur the United States attempted to intervene in a war between Chile and Peru sought to turn Nicaragua into a protectorate supplied leading advisers to Madagascar and Korea and took a major part in the Congo conference of 1884 In examining these activities even while pointing to uncoordinated statecraft and inept diplomacy Doenecke challenges the long held view that from 1881 to 1885 the nation was withdrawn and insular His fresh perspective on the Garfield and Arthur years will be of considerable interest to historians of the Gilded Age Journal of the History of Sexuality ,1992 The Publishers' Trade List Annual ,1886

Transatlantic Modernism Martin Klepper, Joseph C. Schöpp, 2001 Modernism in Europe and modernism in the United

States at first glance these two concepts seem to be quite different if not opposing European modernism it appears is innovative and even iconoclastic Joyce Schonberg Gropius Schwitters American modernism it would seem is rather reconciliatory and even conservative Fitzgerald Gershwin Wright and Hopper The collection of essays in Transatlantic Modernism disproves this point Transatlantic Modernism tackles the modes of transfer translation cross fertilization and reinterpretation which actually characterize the complex relations between European and American cultures within the period of modernism The essays collected in this volume cover a broad array of forms of cultural expression literature Doblin Dos Passos Faulkner etc philosophy Bergson James Dewey painting Gleizes Stella Shahn photography Ray Steichen Sheeler fashion Poiret Delaunay Schiaparelli film Fox Stroheim Lubitsch architecture Bauhaus Johnson Hitchcock and opera Thomson Stein **Under Any Sky** Matthew Caleb Flamm, Krzysztof Piotr Skowroński, 2007 Under Any Sky Contemporary Readings of George Santayana is a testament to the cross cultural relevance of the work of one of the leading intellectuals of the twentieth century George Santayana 1863 1952 birth name Jorge Agustín Nicolás Ruiz de Santayana A list of geographic origins of the twenty two contributions contained in this volume indicates the transatlantic cultural diversity of scholarly representation scholars variously hailing from Canada Germany Italy Spain Poland Slovakia and Switzerland and from the United States representing three of its major regions The authors explore the major plots of Santayana's thinking including materialistic Platonism in ontology skepticism in epistemology rationality in social philosophy naturalism in aesthetics piety in materialism and literary and poetic expression as a means to cosmic understanding After a preface by Professor John Lachs also a contributor and an editorial introduction the book is divided into three respective thematic parts I Ontology and Naturalism II Culture Society America and III Aesthetics Poetry and Spirit Before each thematic section brief introductions of the section papers is provided to accommodate specific scholarly interests The authors entrust the present volume to readers appreciative of the philosophic catholicity of the subject's work invoking the book title which is taken from the preface of Santayana's mature system of philosophy Scepticism and Animal Faith In the past or in the future my language and my borrowed knowledge would have been different but under whatever sky I had been born since it is the same sky I should have had the same philosophy *The Modern Schoolman*, 2003 **Research Guide to American Historical Biography** Robert Muccigrosso, 1988 Description and evaluation of the most important secondary and primary sources for 452 American historical figures in all five volumes T p verso v 5 *Rebels in Bohemia* Leslie Fishbein, 1982 Rebels in Bohemia The Radicals of The Masses 1911 1917
