The German Euthanasia Program:

The Euthanasia/Assisted-Suicide Debate Demetra M. Pappas, 2012-09-20 This revealing volume explores recent historical perspectives on the modern euthanasia and assisted suicide debate and the political arenas in which it has unfolded. Emotional public responses to widely publicized right to die and euthanasia cases such as those revolving around Dr Jack Kevorkian and Terri Schiavo highlight their volatile mix of medical ethical religious legal and public policy issues. The Euthanasia Assisted Suicide Debate explores how this debate has evolved over the past 100 years as judicial approaches legislative responses and prosecutorial practices have shifted as a result of changes in medical technology and consumer sophistication. Emphasizing the period from the 1950s forward the book offers an unbiased examination of the origins of the modern medical euthanasia and assisted suicide debates the involvement of physicians the history and significance of medical technology and practice and the role of patients and their families in the ongoing controversy. This illuminating exploration of concepts issues and players will help readers understand both sides of the debate as viewed by participants.

The Holocaust David M. Crowe, 2021-12-30 Now in its second edition this book takes a fresh probing look at one of the greatest human tragedies in modern history. Beginning with a detailed overview of the history of the Jews and their two millennia old struggle with the anti Judaic and anti Semitic prejudice and discrimination that set the stage for the Holocaust David M. Crowe discusses the evolution of Nazi racial policies beginning with the development of Adolf Hitler's anti Semitic ideas their importance to the Nazi movement in the 1920s and 1930s and their expanding role in the evolution of German policies leading to the Final Solution in 1941 the mass murder of Jews throughout Nazi occupied Europe. The German program involved the creation of death camps like Auschwitz and Treblinka and mass murder sites throughout Eastern Europe and the Soviet Union. While the Jews were the principal victims other groups who were deemed racial or biological threats to Hitler's goal of creating an Aryan pure Europe were also targeted including the Roma and the handicapped. This book discusses Nazi policies in each country in German occupied Europe as well as the role of Europe's neutrals in the larger German scheme of things. It also takes an in depth look at liberation Displaced Persons the founding of Israel and efforts throughout the western world to bring Nazi war criminals and their collaborators to justice. This second edition includes a new chapter on the importance of memory and the Holocaust the evolution of interpretative Holocaust scholarship and media recent controversies about national responsibility and the work of Holocaust museums archives and libraries in Israel Germany Poland and the United States to promote Holocaust education and memory. It concludes with the rise of Neo Nazism white nationalism and other movements in Germany and the United States and their relationship to questions about Holocaust memory and its lessons. Comprehensive and offering a detailed historical perspective this is the perfect resource for those looking to gain a deep understanding of this tragedy.

Lilies That Fester John Bossert Brown Jr., 2022-12-20 The twentieth century promised much in terms of progress. Europe was at peace and America was poised to become a world

superpower Certain religious leaders envisioned new programs to help the poor while others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide there have been over one billion unborn children destroyed by abortion There have been sixty four million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship
