The Hitler Years: Triumph, 1933-1939 Frank McDonough,2021-06-22 From historian Frank McDonough the first volume of a new chronicle of the Third Reich under Hitler s hand On January 30th 1933 Adolf Hitler was appointed the German Chancellor of a coalition government by President Hindenburg Within a few months he had installed a dictatorship jailing and killing his leftwing opponents terrorizing the rest of the population and driving Jews out of public life He embarked on a crash program of militaristic Keynesianism reviving the economy and achieving full employment through massive public works vast armaments spending and the cancellations of foreign debts After the grim years of the Great Depression Germany seemed to have been reborn as a brutal and determined

European power Over the course of the years from 1933 to 1939 Hitler won over most of the population to his vision of a renewed Reich In these years of domestic triumph cunning maneuvers pitting neighboring powers against each other and biding his time we see Hitler preparing for the moment that would realize his ambition But what drove Hitler s success was also to be the fatal flaw of his regime a relentless belief in war as the motor of greatness a dream of vast conquests in Eastern Europe and an astonishingly fanatical racism **The British National Bibliography** Arthur James Wells,2006

The Gestapo Rupert Butler,2004-08-22 From its creation in 1933 until Hitler s death in May 1945 anyone living in Nazi controlled territory lived in fear of a visit from the Gestapo Geheime Staatspolizei or Secret State Police Young or old rich or poor nobody was beyond the attentions of a brutally efficient organization that spread its malign influence into every corner of Europe in the wake of the all conquering German armed forces The Gestapo is a detailed history of Heinrich Himmler s evil organization whose 20 000 members were responsible for the internal security of the Reich Under its auspices hundreds of thousands of civilians resistance fighters and spies in occupied Europe were brutalized tortured and murdered and many many more were deported to almost certain death in concentrations camps The book describes the Gestapo s transformation into a vital element of the Nazi regime operating from the most feared address the Reich Prinz Albrecht Strasse 8 Based upon the Gestapo s own archives and eyewitness accounts the author charts the development of the organization its key figures such as Reinhard Heydrich and Heinrich Muller its brutal methods and how the Gestapo dealt with internal security including the various unsuccessful attempts to assassinate Hitler The Gestapo is a lively and expert account of this notorious but little understood secret police that terrorized hundreds of thousands of people across Europe **German History, 1933-45** Hermann Mau,Helmut Krausnick,1962 American Book Publishing Record ,2004 **The Longman Handbook of Modern European History, 1763-1997** Chris Cook,John Stevenson,1998 This 3rd edition of the Longman Handbook of Modern European History now includes full coverage of the events of the mid 1990s after the former Soviet Union broke up into its constituent parts Deutsche Nationalbibliografie ,2005-07 Macmillan Concise Dictionary of World History

Bruce Wetterau,1983 An accumulation of facts providing reference to 10 000 people places events and other items of historic importance *The Gestapo* Frank McDonough,2015-08-27 Name as a 2016 Book of the Year by the Spectator A Daily Telegraph Book of the Week August 2015 Longlisted for 2016 PEN Hessell Tiltman Prize Ranked in 100 Best Books of 2015 in the Daily Telegraph Professor Frank McDonough is one of the leading scholars and most popular writers on the history of Nazi Germany Frank McDonough s work has been described as modern history writing at its very best Ground breaking fascinating occasionally deeply revisionist by renowned historian Andrew Roberts Drawing on a detailed examination of previously unpublished Gestapo case files this book relates the fascinating vivid and disturbing accounts of a cross section of ordinary and extraordinary people who opposed the Nazi regime It also tells the equally disturbing stories of their friends neighbours colleagues and even relatives who were often drawn into the Gestapo s web of intrigue The book reveals too the

cold blooded and efficient methods of the Gestapo officers This book will also show that the Gestapo lacked the manpower and resources to spy on everyone as it was reliant on tip offs from the general public Yet this did not mean the Gestapo was a weak or inefficient instrument of Nazi terror On the contrary it ruthlessly and efficiently targeted its officers against clearly defined political and racial enemies of the people The Gestapo will provide a chilling new doorway into the everyday life of the Third Reich and give powerful testimony from the victims of Nazi terror and poignant life stories of those who opposed Hitler's regime while challenging popular myths about the Gestapo *Jahresberichte für deutsche Geschichte* ,2004
