The Real History of Austria Peter Bubendorfer, 2021-01-31 One day when I was about 15 as I sat in my high school history class someone asked the teacher what the difference was between an Austrian and a German Nothing he snapped Austrians are just Germans It s the same thing I was aghast I felt my whole world shift How could anyone think an Austrian was a German They were completely different everyone knew that Years later after I had spent some time in Austria and got to know my family I began to read academic books written in English about Austrian history and was astonished at how completely at variance they were with my own family s experiences All the books were written from an American or English academic perspective many with a faint but perceptible undercurrent of hostility I felt a lot of it to be factually wrong and misleading and in some cases found the proof that that was so I decided I had to tell Austria s story as I saw it so I went
