The Angels Speak Carolynn Milne, 2014-05 It was a cold wet day I made my friends a hot cuppa and stoked up the open fire We sat looking at the flames and talking My voice suddenly changed in mid sentence The words I was saying were beautiful and elegant but they were not mine I was startled and confused What was going on What was that amazing energy flowing through me After the initial shock I quieted my mind enough to hear Maitreya It was his energy and his words He was with me to teach me and to work through me Over the next few days Jesus and Mary Magdalene both came through me with messages and energy to guide me I realized that as each came and went I had an involuntary shudder When I started to record their messages I found that my handwriting changed for each Six years later I still feel the amazing energies emotions and feelings of these Angelic Messengers I now know that this is not just for me but for all of humanity I don't have to be a saint I just need to have pure and loving thoughts at the time I am receiving and very importantly when I am recording Pure intention loving thoughts and lots of faith in me and in the Messengers allow this remarkable gift to flow through me I think of my higher consciousness as a dome The door to the Dome has a filter so only the Divine can enter The Messenger is never a force that controls me That is my deal with the Divine I always have free will The Messengers communicate to me by voice and sometimes by a knowledge of what to write in large blocks of information I work to bring these amazing messages to as many as possible
