G. Jones,2004-01-01      *Ecclesiology* Mark W. Fenison,2018-07-25 The issue of the church is one of the most divisive issues  
in Christendom In this volume Professor Fenison restricts his studies to Pre New Testament and New Testament uses of the  
Greek term ekklesia He then evaluates the more modern universal invisible church theory in its relationship to the historical  
usage of ekklesia and in its relationship to the very fundamental basics of biblical soteriology In particular Fenison  
demonstrates that this post biblical theory is not inconsistent with regard to the primary consequence of the fall spiritual  
death separation and its only possible fundamental solution restoration to spiritual union with God Fenison argues that  
ecclesiology was never part of that solution prior to the cross and is no part of that solution after the cross Fenison totally  
repudiates church salvation in every form but insists that salvation consists in its most fundamental essence as restoration to  
spiritual union with God which is affected by the internalized empowered gospel as the Spirit s creative Word 2 Cor 4 6 Jam 1
