## **The Gender Of Democracy Citizenship And Gendered Subjectivity:**

The Gender of Democracy Maro Pantelidou Maloutas,2007-05-07 As developments in the European Union and elsewhere make the re examination of citizenship a pressing issue this book reflects on the persisting masculine character of contemporary democracy and the measures taken in the EU to combat it Combining a theoretical approach with a specific critique of EU gender policy The Gender of Democracy argues that substantial democracy as a social project cannot co exist with the existing system of gender relations which are inherently dichotomous and thus demarcate social categories of superior and inferior status Drawing on utopian thought Maro Pantelidou Maloutas proposes a re examination of the notion of the gendered subject and a revision of the dominant perceptions of the relations between sex sexuality and gender The book contains a critique of specific EU gender policies and shows how in seeking to do away with gender inequality simply formulating policies that are pro women is not enough In order to approach democracy s emancipatory component far reaching policies which deconstruct rather than modernize gender relations are needed

*Handbook of Political Citizenship and Social Movements* Hein-Anton van der Heijden,2014-10-31 This Handbook uniquely collates the results of several decades of academic research in these two important fields The expert contributions successively address the different forms of political citizenship and current approaches and recent development

*The Cultural Politics of Female Sexuality in South Africa* Henriette Gunkel,2010-01-21 Sexual identity has emerged into the national discourse of post apartheid South Africa bringing the subject of rights and the question of gender relations and cultural authenticity into the focus of the nation state s politics This book is a fascinating reflection on the effects of these discourses on non normative modes of sexuality and intimacy and on the country more generally While in 1996 South Africa became the first country in the world that explicitly incorporated lesbian and gay rights within a Bill of Rights much of the country has continued to see homosexuality as un African Henriette Gunkel examines how colonialism and apartheid have historically shaped constructions of gender and sexuality and how these concepts have not only been re introduced and shaped by understandings of homosexuality as un African but also by the post apartheid constitution and continued discourse within the nation
