## **The German Revolution:**

The German Revolution, 1918-1919 A. J. Ryder, 1959

The German Revolution, 1918-1919 Ralph Haswell Lutz, 1922

**November 1918** Robert Gerwarth, 2020 The story of an epochal event in German history but also the story of the most important revolution that you might never have heard of

**Witness to the German Revolution** Victor Serge, 2011-07-26

Dispatches from a workers revolt by the Memoirs of a Revolutionary author one of the most compelling of twentieth century ethical and literary heroes Susan Sontag winner of the National Book Award Following in the wake of the carnage reaped across Europe by World War I German workers undertook a struggle that would prove decisive in determining the course of the entire twentieth century In 1923 the fledgling Comintern The Communist International dispatched Victor Serge with his peerless journalistic skills to Berlin to expedite the German Revolution and write these moving reports from the battlefield Praise for Victor Serge He was an eyewitness of events of world historical importance of great hope and even greater tragedy His political recollections are very important because they reflect so well the mood of this lost generation His articles and books speak for themselves and we would be poorer without them Partisan Review I know of no other writer with whom Serge can be very usefully compared The essence of the man and his books is to be found in his attitude to the truth John Berger Booker Prize winning author The novels poems memoirs and other writings of Victor Serge are among the finest works of literature inspired by the October Revolution that brought the working class to power in Russia in 1917 His articles like the work of John Reed his American friend let us follow revolutionary events as they unfold as seen through the eyes of an exceptionally alert journalist Scott McLemee writer of the weekly Intellectual Affairs column for Inside Higher Ed

And the Kaiser Abdicates: the German Revolution November 1918-August 1919 Stephen Miles Bouton, 2020-09-28 The peoples of this generation at least those of highly civilized and cultured communities had little or no familiarity with revolutions and the history of revolutions before March 1917 when Tsar Nicholas II was overthrown There was and still is something about the very word revolution which is repugnant to all who love ordered and orderly government It conjures up pictures of rude violence of murder pillage and wanton destruction It violates the sentiments of those that respect the law for it is by its very nature a negation of the force of existing laws It breaks with traditions and is an overcoming of inertia and inertia rules powerfully the majority of all peoples The average American is comparatively little versed in the history of other countries He knows that the United States of America came into existence by a revolution but revolutionary is for him in this connection merely an adjective of time used to locate and describe a war fought between two powers toward the end of the eighteenth century He does not realize or realizes but dimly the essential kinship of all revolutions Nor does he realize that most of the governments existing today came into being as the result of revolutions some of them bloodless it is true but all at bottom a revolt against existing laws and governmental forms The extortion of the Magna Charta from King John in 1215 was not the less a revolution because it was the bloodless work of the English barons It took two bloody revolutions to establish France as

a republic All the Balkan states are the products of revolution A man need not be old to remember the overthrow of the monarchy in Brazil the revolution in Portugal was but yesterday as historians count time Only the great wisdom and humanitarianism of the aged King Oscar II prevented fighting and bloodshed between Sweden and Norway when Norway announced her intention of breaking away from the dual kingdom The list could be extended indefinitely The failure to recall or realize these things was one of the factors responsible for the universal surprise and amazement when the Hohenzollerns were overthrown The other factor was the general and justified impression that the government of Germany was one of the strongest most ably administered and most homogeneous governments of the world And yet Germany too or what subsequently became the nucleus of Germany had known revolution It was but seventy years since the King of Prussia had been forced to stand bareheaded in the presence of the bodies of the March patriots who had given their lives in a revolt which resulted in a new constitution and far reaching concessions to the people Even to those who did recall and realize these things however the German revolution came as a shock The closest observers men who knew Germany intimately doubted to the very last the possibility of successful revolution there And yet viewed in the light of subsequent happenings it will be seen how natural even unavoidable the revolution was It came as the inevitable result of conditions created by the war and the blockade It will be the purpose of this book to make clear the inevitableness of the d b cle and to explain the events that followed it For a better understanding of the whole subject a brief explanation of the structure of Germany s governmental system is in place This will serve the double purpose of showing the strength of the system which the revolution was able to overturn and of dispelling a too general ignorance regarding it The general condemnation of Prussia the Prussians and the Hohenzollerns must not be permitted to obscure their merits and deserts For more than five hundred years without a break in the male line this dynasty handed down its inherited rights and produced an array of great administrators who within three centuries raised Prussia to the rank of a first rate power The kingdom that subsequently became the nucleus for the German Empire lost fully half its territory by the Peace of Tilsit in 1807 when following the reverses in the Napoleonic wars Germany was formally dissolved and the Confederation of the Rhine was formed by Napoleon The standing army was limited to 42 000 men and trade with Great Britain was prohibited The Confederation obeyed the letter of the military terms but evaded its spirit by successively training levies of 42 000 men and within six years enough trained troops were available to make a revolt against Napoleonic slavery possible The French were routed and cut to pieces at the Battle of the Nations near Leipsic in 1813 and Prussian Germany was again launched on the road to greatness A certain democratic awakening came on the heels of the people s liberation from foreign domination It manifested itself particularly in the universities The movement became so threatening that a conference of ministers of the various states was convoked in 1819 to consider counter measures The result was an order disbanding the political unions of the universities placing the universities under police supervision and imposing a censorship upon their activities The movement

was checked but not stopped In 1847 ominous signs of a popular revolution moved King Frederick William IV of Prussia to summon the Diet to consider governmental reforms The chief demand presented by this Diet was for a popular representation in the government The King refused to grant this A striking commentary upon the political backwardness of Germany is furnished by the fact that one of the demands made by a popular convention held in Mannheim in the following year was for trial by jury a right granted in England more than six hundred years earlier by the Magna Charta Other demands were for the freedom of the press and popular representation in the government The revolution of 1848 in Prussia while it failed to produce all that had been hoped for by those responsible for it nevertheless resulted in what were for those times far reaching reforms A diet was convoked at Frankfort on the Main It adopted a constitution establishing some decided democratic reforms and knit the fabric of the German confederation more closely together

The German Revolution, 1918-1919 (Classic Reprint) Ralph Haswell Lutz, 2018-05-04 Excerpt from The German Revolution 1918 1919 The German revolutionary movement Of 1918 and 1919 not only destroyed the Bismarckian Empire but fundamentally altered the life and institutions Of the German people Although it has as yet received little attention from historians a knowledge Of the revolution is essential to an understanding of contemporary Germany and Of those economic and political problems resulting from the defeat Of the German Empire in the World War This monograph is a study of the origins events tendencies and results of the German Revolution based upon personal Observations and an examination Of the documentary and other printed materials available AS a member Of the American Military Mission in Berlin under the command of General George H Harries from March to August 1919 the author had Opportunities to Observe the revolutionary struggles in the capital as well as in the several states About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Lost Revolution Chris Harman, 1982 Germany 1918 to 1923 Long out of print this is a timely reprint of Harman s highly readable account of a decisive event in 20th century history

The German Revolution, 1918-1919 Ralph Haswell Lutz, 2012 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

**The German Revolution of 1918** Ralph H. Lutz, *The German Revolution of 1918* Arthur J. Ryder, 1967 **The German Revolution, 1917-1923** Pierre Brou  , 2005 This volume

provides an English translation of Broué's *La révolution en Allemagne* complete with an updated Bibliography and a new Introduction

**The German Revolution and Political Theory** Gaard Kets, James Muldoon, 2019-05-02 This book is the first collection within political theory to examine the ideas and debates of the German Revolution of 1918-19. It discusses the political theorists and actors of the revolution and uncovers an incredibly fertile body of political thought. Revolutionary events led to the proliferation of new political strategies, theoretical insights, and institutional proposals. Key questions included the debate between a national assembly and a council system, the socialisation of the economy, the development of new forms of political representation, and the proper role of parliaments, political parties, and trade unions. This book offers novel perspectives on the history of the revolution, a thorough engagement with its main thinkers, and an analysis of its relevance for contemporary political thought.

**Living the German Revolution, 1918-19** Christopher Dillon, Kim Wünschmann, 2024-01-26 The German Revolution of 1918-19 marks a historical turning point at which, following the catastrophe of the Great War, soldiers and civilians rose up to overthrow the German Empire's political and military leadership. The prospect of radical change evoked diverse hopes and fears in Germans young and old, female and male, rural and urban, Catholic, Protestant, and Jewish. The essays in this volume, which are all based on fresh archival research, analyse their various expectations, experiences, and responses towards the revolution. Whereas much of the existing scholarship concentrates on the high politics and institutional contests of the revolution, these essays are concerned with revolutionary culture and subjectivities. They seek to historicize the revolution not so much from above or from below but from within, as a lived and open-ended civic experiment. This volume's cast of protagonists encompasses sailors mobilizing in north German naval bases, women storming town halls in provincial Bavaria, youngsters pounding Hamburg dance floors on wintery evenings, factory workers savouring the new eight-hour day, publishers grappling with shifting readerships, theologians debating constitutional arrangements, and journalists writing to make sense of a world seemingly turned upside down. The essays explore how the German Revolution unleashed the political imagination of a newly empowered citizenry. Their collective contention is that this socio-cultural approach best registers the revolution's popular mobilization and societal penetration, its destruction of inherited patterns of authority, and ultimately its complex and contested legacy for the Weimar republican project.

**A People's History of the German Revolution** William Pelz, 2018-06-20 In October 1918, war-weary German sailors mutinied when the Imperial Naval Command ordered their engagement in one final fruitless battle with the British Royal Navy. This revolt, in the dying embers of the First World War, quickly erupted into a full-scale revolution that toppled the monarchy and inaugurated a period of radical popular democracy. The establishment of the Weimar Republic in 1919 ended the revolution, relegating all but its most prominent leaders to a historical footnote. In *A People's History of the German Revolution*, William A. Pelz cuts against the grain of mainstream accounts that tend to present the revolution as more of a collapse or just a chaotic interregnum that preceded the country's natural progression into a republic. Going beyond the

familiar names of Karl Liebknecht Rosa Luxemburg or Clara Zetkins Pelz explores the revolution from the bottom up focusing on the active role that women rank and file activists and ordinary workers played in its events Rejecting the depiction of agency as exclusively in the hands of international actors like Woodrow Wilson or in those of German elites he makes the compelling case that for a brief period the actions of the common people shaped a truly revolutionary society GERMAN REVOLUTION, 1918-1919 RALPH HASWELL. LUTZ,2018 **Eduard Bernstein on the German Revolution** Marius S. Ostrowski,2019-11-01 This book presents two major texts and selected shorter writings by the social democratic thinker and politician Eduard Bernstein translated into English in full for the first time The German Revolution A History of the Emergence and First Working Period of the German Republic How A Revolution Perished and articles from Vorwärts and other socialist periodicals Written in the aftermath of the 1918 German Revolution and the end of WWI they address the overthrow of autocratic rule in Germany and provide a live chronicle and retrospective assessment of the Weimar Republic's foundation Bernstein gives a detailed chronology of the German Revolution and its intellectual economic and political context and offers a historical analogy in his account of the 1848 French Revolution which differs in key respects from that of Karl Marx in The Eighteenth Brumaire of Louis Napoleon Drawing on his own experience of the events he describes he revisits the socialist debate over reform or revolution that he himself had provoked at the turn of the 20th century and consciously seeks to wrest ownership of the Revolution's legacy away from the Spartacist and communist left In these works Bernstein exhorts social democrats to rally behind the nascent Republic and resist the siren calls of its militant opponents on radical left and right and he engages with themes of party unity political violence democracy and the role of ideology that have echoed through left theory and strategy ever since *A People's History of the German Revolution* William Pelz,2018-06-20 In October 1918 war weary German sailors mutinied when the Imperial Naval Command ordered their engagement in one final fruitless battle with the British Royal Navy This revolt in the dying embers of the First World War quickly erupted into a full scale revolution that toppled the monarchy and inaugurated a period of radical popular democracy The establishment of the Weimar Republic in 1919 ended the revolution relegating all but its most prominent leaders to a historical footnote In *A People's History of the German Revolution* William A Pelz cuts against the grain of mainstream accounts that tend to present the revolution as more of a collapse or just a chaotic interregnum that preceded the country's natural progression into a republic Going beyond the familiar names of Karl Liebknecht Rosa Luxemburg or Clara Zetkins Pelz explores the revolution from the bottom up focusing on the active role that women rank and file activists and ordinary workers played in its events Rejecting the depiction of agency as exclusively in the hands of international actors like Woodrow Wilson or in those of German elites he makes the compelling case that for a brief period the actions of the common people shaped a truly revolutionary society **Founding Weimar** Mark Jones,2016-10-20 The German Revolution of 1918 1919 was a transformative moment in modern European history It was both the end of the German Empire and the First World War as

well as the birth of the Weimar Republic the short lived democracy that preceded the establishment of the Nazi dictatorship A time of great political drama the Revolution saw unprecedented levels of mass mobilisation and political violence including the Spartacist Uprising of January 1919 the murders of Karl Liebknecht and Rosa Luxemburg and the violent suppression of strikes and the Munich Councils Republic Drawing upon the historiography of the French Revolution Founding Weimar is the first study to place crowds and the politics of the streets at the heart of the Revolution s history Carefully argued and meticulously researched it will appeal to anyone with an interest in the relationship between violence revolution and state formation as well as in the history of modern Germany *The German Revolution* H. Powys Greenwood,1992-01-01

Debates on the German Revolution Of 1918-19 Matthew Stibbe,2023-05-23 This book examines how historians have interpreted the German revolution of 1918 19 from its inception to the present day It charts how the debate on this revolution changed during the Weimar republic the Nazi period and the second world war in the time of Germany s division from 1949 to 1990 and finally in the years since German reunification

## **The German Revolution Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The German Revolution PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The German Revolution PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The German Revolution free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About The German Revolution Books**

1. Where can I buy The German Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The German Revolution book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The German Revolution books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The German Revolution audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The German Revolution books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
