**Brian McFarlane**

## **The Golden Pathway Annual A Play:**

*The Golden Pathway Annual* John Harding, John Burrows, 1975 The structure of this play is a loosely connected sequence of sketches some deliberately written for great comic effect and others pitched in a much lower key It is about a boy growing up in the period from the end of World War Two to the late 1960s     The Golden Pathway Annual John Harding, John Burrows, 1975     The Script Sampler Andy Kempe, 2002 This revised and updated edition of The Drama Sampler offers a rich anthology of substantial extracts from Shakespeare to the present This text complements Starting with Scripts and The GCSE Drama Coursebook The Script Sampler also provides excellent activities to challenge and motivate students     **The Golden Pathway Annual** ,     Double-Act Brian McFarlane, 2015-04-30 Not many can boast of careers that lasted successfully for nearly seventy years but that is what both Googie Withers and John McCallum achieved Googie portrayed everything from brazen murderesses to Lady Bracknell taking in blonde nitwits wartime Resistance workers lady farmers and Shakespeare along the way John not only performed memorably in all the acting media but also was a pioneer producer in Australian television sending Skippy into the far corners of the earth the managing director of a huge theatrical firm and a film director playwright and author Just as remarkable was their 62 year marriage not all that common in the entertainment world and the way this worked is as fascinating as their varied and prolific careers There were plenty of disagreements along the way but underlying all was their profound respect for each other's work and a kind of love that was essentially complementary Together in professional and personal matters alike an unbeatable combination Brian McFarlane's biography does justice to this remarkable pair and reads as an absorbing story Brian's book brings back wonderfully vivid memories of an important Australian past Once I had met and worked with Googie and John I knew they were true royalty Together they made my life richer and gave my profession a finer meaning This book brings them vividly to life It is a great read George Ogilvie theatre director and drama teacher     **The GCSE Drama Coursebook** Andy Kempe, 2002 The GCSE Drama Coursebook is firmly based on practical explorations of how to make perform and respond to drama The resources used to stimulate drama are exciting and varied ranging from photo love stories and poems to fine art and contemporary plays     *Plays and Players* , 1987     The Guide to Selecting Plays Samuel French Ltd, 2006     **British Theatre Review** , 1974     **Contemporary Dramatists** , 1993     Bibliographic Annual in Speech Communication , 1974     **The Mammoth Book of Losers** Karl Shaw, 2014-06-05 This compendious celebration of ineptitude includes some of history's most spectacularly ill conceived expeditions and entirely useless pursuits and features tales of black comedy insane foolhardiness breathtaking stupidity and relentless perseverance in the face of inevitable defeat It rejoices in men and women made of the Wrong Stuff writers who believed in the power of words but could never quite find the right ones artists and performers who indulged their creative impulse with a passion if not a sense of the ridiculous an eye for perspective or the ability to hold down a tune scientists and businessmen who never quite managed to quit while they were ahead and sportsmen who seemed to manage

always to snatch defeat from the jaws of victory Like Walter Oudney one of three men chosen to find the source of the River Niger in Africa who could not ride a horse nor speak any foreign languages and who had never travelled more than 30 miles beyond his native Edinburgh or the explorer priest Michel Alexandre de Baize who set off to explore the African continent from east to west equipped with 24 umbrellas some fireworks two suits of armor and a portable organ or the Scottish army which decided to invade England in 1349 during the Black Death Entries include briefest career in dentistry least successful bonding exercise most futile attempt to find a lost tribe most pointless lines of research by someone who should have known better least successful celebrity endorsement least convincing excuse for a war worst poetic tribute to a root vegetable least successful display of impartiality by a juror Devon Loch sporting metaphor for blowing unblowable lead least dignified exit from office by a French president and least successful expedition by camel      **New Theatre Quarterly 34: Volume 9, Part 2**
