The Golden Years Of Hunting In New Zealand:

The Golden Years of Hunting in New Zealand Philip Holden,1983 *Hunting and High Country* Philip Holden,2011-09-05 Tales of hunting and outdoorsmanship in the beautiful South Island high country *Golden Years of Hunting in New Zealand* Philip Holden,1994-12 **Pack and Rifle** Philip Holden,2012-06-26 A reprint of classic hunting adventures from Philip Holden recounting his adventures as a deer culler with the New Zealand Government Forest Service
PACK AND RIFLE is the book that has inspired generations of hunters to experience all that wild New Zealand has to offer
First published in 1971 the book was immediately recognised as a classic of its genre It recounts Philip Holden s adventures as a deer culler and contains a wealth of knowledge and hunting lore ready now to be taken up by a new generation of hunting and outdoor enthusiasts Some of the people named in the book have moved on and the dates are old but some things never change the hills today are just as they were when Philip first explored them and the adventure and thrill of the hunt still resonates from the page the book can be enjoyed by the young and upcoming hunter as well as those who will read the stories with a fond smile of nostalgia those who have been there on younger legs and who once lived the adventures of hunting in New Zealand s mighty back country New Zealand Books in Print 1994 Lis Whyte,Janet Austin,1994-03 With complete bibliographic information on over 20 000 titles from New Zealand the Pacific Islands NEW ZEALAND BOOKS IN PRINT is an essential guide to the publishing industry in the Pacific region Entries are indexed by title publisher subject Also includes a book trade fax directory all literary awards association addresses booksellers libraries more **New Zealand Books in Print** ,1988 *The New Zealand Environment 1983-84* Colleen O'Leary,1986 **International Books in Print** ,1997 **Index to New Zealand Periodicals** ,1984 Dictionary of Arts, Manufactures and Mines ... Andrew Ure,1878 **The Commercial & Financial Chronicle and Hunt's Merchants' Magazine** ,1886 **The Golden Years of Welsh Rugby** Gareth Edwards,1982 **Secret Letters** John Willis,2020-09-15 This is a unique book
Using for the first time the full unpublished letters of Pilot Officer Geoffrey Myers it offers a fresh and distinctive insight into World War 2 While Geoffrey Myers was a caught up in the major turning points of the early years of that war the Battle for France Dunkirk and the Battle of Britain his French wife and two half Jewish children were trapped in Nazi occupied France desperate to escape the enemy and be reunited with her husband in England These secret letters were never posted and never read by Geoffrey s family until later in the war They were designed to be read if he was killed They begin Three months now and I have kept silent I have been hoping to write letters that would reach you I have been wanting to do something that would help you to escape from Occupied France and to get us all out of this living grave Contemporary personal accounts of the Battle of Britain of such frankness are extremely rare Individual narratives on this scale encompassing two of the great turning points of the war the Battle of Britain and Dunkirk and much else besides just do not exist So the letters from Geoffrey Myers to his family are unique offering an original insight from a witness to so much history More than that the

letters tell a powerful love story between two people caught up in war and at real risk of never seeing each other again As a Daily Telegraph journalist before the war Geoffrey Myers writes with eloquence and insight and because his notebooks were not designed to be published the letters are an unvarnished sometimes brutal portrayal of war as his Battle of Britain Squadron suffers terrible losses As an Intelligence Officer Geoffrey was well placed to understand the chaos all around him but his letters are shot through with humanity and sometimes humour While Geoffrey wrote his account of the war for his children to read if he survived his family were in mortal danger As a Jew he understood only too well what would happen if the Nazis discovered his children hiding in Occupied France For months he had no idea if his family were dead or alive free or imprisoned His letters reflect his deep love for his wife Margot and children and his acute anxiety for their safety as they try to escape the tightening net of the Nazis and head south through France and Spain Unique interviews with his wife offer insight into her remarkable story during those precarious months This moving story of a couple whose love is caught in the crossfire of war is a powerful and rare portrait of not only the turbulent events of those times but also how a family survives with so much death and danger swirling around them both
