The German Southwest Hans-Georg Wehling,1991 **Political Culture in Germany** Dirk Berg-Schlosser,Ralf Rytlewski,2016-07-27 Aspects of political culture i e concerns with the subjective dimension of politics including dominant political orientations perceptions and interpretations always have been particularly relevant with regard to the case of Germany and its great variety of political regimes during the last century This is true both with regard to political science and practical politics This volume provides a comprehensive overview concerning the major historical legacies regional and sub cultural variations and current problems of democratic orientations national identity and relationships to the outside world

Regional Identity and Economic Change Tom Scott,1997 The current debate about the best methods of European organization central or regional is influenced by an awareness of regional identity which offers an alternative to the rigidities of organization by nation state Yet where does the sense of regionalism come from What are the distinctive factors that transform a geographical area into a particular region Tom Scott addresses these questions in this study of one apparently natural region the Upper Rhine between 1450 and 1600 This region has been divided between three countries and so historically marginalized yet Dr Scott is able to trace the existence of a sense of historical regional identity cutting across national frontiers founded on common economic interests But that identity was always contingent and precarious neither natural nor immutable

The Holy Roman Empire Brian A. Pavlac,Elizabeth S. Lott,2019-06-01 Reference entries overview essays and primary source document excerpts survey the history and unveil the successes and failures of the longest lasting European empire The Holy Roman Empire endured for ten centuries This book surveys the history of the empire from the formation of a Frankish Kingdom in the sixth century through the efforts of Charlemagne to unify the West around A D 800 the conflicts between emperors and popes in the High Middle Ages and the Reformation and the Wars of Religion in the Early Modern period to the empire s collapse under Napoleonic rule A historical overview and timeline are followed by sections on government and politics organization and administration individuals groups and organizations key events the military objects and artifacts and key places Each of these topical sections begins with an overview essay which is followed by alphabetically arranged reference entries on significant topics The book includes a selection of primary source documents each of which is introduced by a contextualizing headnote and closes with a selected general bibliography

Baden-Württemberg Hans-Georg Wehling,Reinhold Weber,2006 **Ideas and Cultural Margins in Early Modern Germany** Marjorie Elizabeth Plummer,2016-12-14 While the assumption of a sharp distinction between learned culture and lay society has been broadly challenged over the past three decades the question of how ideas moved and were received and transformed by diverse individuals and groups stands as a continuing challenge to social and intellectual historians especially with the emergence and integration of the methodologies of cultural history This collection

of essays influenced by the scholarship of H C Erik Midelfort explores the new methodologies of cultural transmission in the context of early modern Germany Bringing together articles by European and North American scholars this volume presents studies ranging from analyses of individual worldviews and actions influenced by classical and contemporary intellectual history to examinations of how ideas of the Reformation and Scientific Revolution found their way into the everyday lives of Germans of all classes Other essays examine the ways in which individual thinkers appropriated classical medieval and contemporary ideas of service in new contexts discuss the means by which groups delineated social intellectual and religious boundaries explore efforts to control the circulation of information and investigate the ways in which shifting or conflicting ideas and perceptions were played out in the daily lives of persons families and communities By examining the ways in which people expected ideas to influence others and the unexpected ways the ideas really spread the volume as a whole adds significant features to our conceptual map of life in early modern Europe
