Contains a new chapter examining the effects of violent divorce on a sample of young adults tracking their developmental changes from adolescence through adulthood Discusses the developmental threats to both boys and girls of different ages and stages along with therapeutic interventions and guidelines for parenting plans Proposes principles and criteria for decision making about custody visitation and parenting plans based on individual assessment of the developing child within his or her family Mental health professionals educators family lawyers judges and court administrators will find this book to be an essential read with all the knowledge and insight needed to understand the short and long term effects of violent divorce on children **Lola Fluffywhiskers Pops Up** Daisy Meadows,2017-02-09 Join Lily and Jess on Magic Mountain where all of Friendship Forest s special magic grows But when the magic crystals start not working properly the girls know wicked Grizelda is behind it Can tiny chipmunk Lola Fluffywhiskers help before magic is lost from Friendship Forest forever

Trolls John Lindow,2014-04-15 Trolls lurk under bridges waiting to eat children threaten hobbits in Middle Earth and invade the dungeons of Hogwarts Often they are depicted as stupid slow and ugly creatures but they also appear as comforting characters in some children s stories or as plastic dolls with bright fuzzy hair Today the name of this fantastic being from Scandinavia has found a wider reach it is the word for the homeless in California and slang for the antagonizing and sometimes cruel people on the Internet But how did trolls go from folktales to the World Wide Web To explain why trolls still hold our interest John Lindow goes back to their first appearances in Scandinavian folklore where they were beings in nature living beside a preindustrial society of small scale farming and fishing He explores reports of actual encounters with trolls meetings others found plausible in spite of their better judgment and follows trolls natural transition from folktales to other domains in popular culture Trolls Lindow argues would not continue to appeal to our imaginations today if they had not made the jump to illustrations in Nordic books and Scandinavian literature and drama From the Moomins to Brothers Grimm and Three Billy Goats Gruff to cartoons fantasy novels and social media Lindow considers the panoply of trolls that surround us and their sometimes troubling connotations in the contemporary world Taking readers into Norwegian music and film and even Yahoo Finance chat rooms Trolls is a fun and fascinating book about these strange creatures Girls are People Too!

Joan E. Newman,1982 The Publishers' Trade List Annual ,1986 *Odin's Ways* Annette Lassen,2021-12-24 This book is about the Old Norse god Odin It includes references to all occurrences of Odin in the Old Norse Icelandic texts including Saxo s *Gesta Danorum* the eddic poems Snorri s *Edda* and *Ynglinga saga* and analyses the high medieval reception and literary representations of Odin rather than the religious character of the god This is the only existing study of Odin in all the Old Norse Icelandic texts and applies a contextual method the different guises of Odin are studied on the basis of the various textual contexts and on their background in the literary and Christian intellectual milieu of the time Contrary to existing studies this method is non reductive in that it does not aim at providing a synthesis about Odin s original nature on the basis of the differing textual uses of Odin in the Middle Ages The book argues that the perceived complexity of Odin often

highlighted in research is first and foremost a function of the complex textual material spanning a wide variety of genres each with its particular literary conventions and of the reception of Odin in early modern and modern mythological studies
