## **The Girls He Adored:**

The Girls He Adored Jonathan Nasaw, 2008-12-26 The most terrifying novel you will read this year Max admits to killing the young woman whose still warm disembowelled body was found beside him but he claims to be suffering from DID a multiple personality disorder and common alibi for murderers Strawberry blonde psychiatrist Irene Cogan is brought in to assess his claims and is astonished to find that Max has many more alters or alternative personalities than any DID sufferer she s previously encountered But what Irene doesn t know is that one of those alters is a suspected serial killer the FBI know as Casey a man responsible for the disappearance and almost certain death of several women Women with just one thing in common strawberry blonde hair

The Girls He Adored Jonathan Nasaw, 2010-11-15 For ten years the charmingly disheveled veteran FBI Special Agent E L Pender has been investigating the apparently random disappearances of a dozen women across the country The only detail the cases have in common is the strawberry blond color of the victims hair and the presence of a mystery man with whom they were last seen Then in Monterey California a routine traffic stop erupts into a scene of horrific violence The local police are stunned by a disemboweled strawberry blond victim and an ingenious killer with multiple alternating personalities Pender is convinced he has found his man but before he can prove it the suspect stages a cunning jailbreak and abducts his court appointed psychiatrist Irene Cogan In a house on a secluded ridge in Oregon Irene must navigate through the minefield of her captor s various egos male and female brilliant and naive murderous and passive all of whom are dominated by Max a seductive killer who views her as both his prisoner and his salvation Irene knows that to survive she must play along with Max s game of sexual perversion Only then will she be able to strip back the layers to discover a chilling story of a shattered young boy and all the girls he adored A sexually charged thriller of extraordinary originality and page turning suspense The Girls He Adored moves furiously from the inner recesses of the psyche to its final startling climax Jonathan Nasaw brilliantly portrays two equally intense characters a deviant killer and the expert who can unlock his darkest secrets and introduces one of the most likable sleuths in recent fiction

The Girls He Adored Jonathan Lewis Nasaw, 2002 A riveting psycho thriller with unforgettable characters the serial killer the psychiatrist he kidnaps and the world weary FBI agent who is in pursuit The man in the prison cells calls himself Max He admits to killing the cop who found him sitting in a car beside the still warm body of a disembowelled young woman but he claims to be suffering from DID the multiple personality disorder that is a common alibi for the worst criminals Assigned to assess the truth of Max s defence is strawberry blonde psychiatrist Irene Cogan When Max masterminds his bloody escape from prison and kidnaps Irene he agrees to undergo a course of therapy during which Irene is introduced to a succession of his alters his alternative personalities To her alarm it seems that one of them has a distinctly unhealthy penchant for strawberry blondes And it looks like it will be up to FBI Special Agent E L Pender who has been on Max s trail for over a decade to find them before Irene discovers exactly what that penchant entails
