The Girlthe Goldwatch Everything:

The Girl, the Gold Watch & Everything John D. MacDonald, 2014-01-14 From John D MacDonald one of the enduring American novelists of the twentieth century comes a science fiction classic with a timeless premise An aimless young man discovers a way to stop the world in its tracks and that's when his life truly begins Introduction by Dean Koontz Once an ordinary math teacher Omar Krepps developed a knack for gambling amassed a fabulous fortune and spent the rest of his life traveling the world and giving away his millions Upon his death however Krepps bequeaths nothing to his nephew and only living blood relative Kirby Winter nothing that is except an antique watch and a sealed letter to be opened after one year But Kirby has much more in his possession than he realizes The watch has the power to manipulate time Not only does this revelation shed light on the mystery of his uncle's life it puts Kirby on the path to unimaginable wealth and a new lease on love as well as a whole host of deadly troubles Even in a universe where time is no issue Kirby must tread carefully to stay one step ahead of danger Praise for John D MacDonald To diggers a thousand years from now the works of John D

MacDonald would be a treasure on the order of the tomb of Tutankhamen Kurt Vonnegut As a young writer all I ever wanted was to touch readers as powerfully as John D MacDonald touched me Dean Koontz John D MacDonald was a writer way ahead of his time John Saul [Experimental Television, Test Films, Pilots and Trial Series, 1925 through 1995](#) Vincent Terrace, 2024-10-16 Test films pilots trial series limited runs summer tryouts by whatever name television networks have produced thousands of experimental shows that never made it into the regular line up Some were actually shown but failed to gain an audience many others never even made it on the air This work includes more than 3 000 experimental television programs both aired and unaired that almost became a series Entries include length network air date if appropriate a fact filled plot synopsis cast guest stars producer director writer and music coordinator Fully indexed [Encyclopedia of Television Series, Pilots and Specials](#) Vincent Terrace, 1985
