The Georgie Porgie Murders:

The Georgie Porgie Murders R. Edward Minyard, 2000-12 Violence sex murder combine to tell a story not for the faint of heart A crime novel set in south Alabama in a small town psych hospital The staff of the hospital are sexually abusing their patients One patient reports it to the police An arrest ensues The hospital staff protects their secret and hides the crimes committed there but one dissenter begins to kill complainants who come forward with more accusations Each crime scene has a Mother Goose type rhyme attached to the bodies hence the name Georgie Porgie gets tagged on the murderer The original therapist who was arrested is the prime suspect for the murders but he ends up on the coroners slab himself So who is the real murder How many girls must die before the police can capture the perpetrator **Nursery Crimes - Crime and Punishment** Steve Wilson, 2016-01-21 After he is unfairly dismissed after making a casual remark at a pre Christmas function Nursery Crimes Crime tells the story of how he takes his revenge on womankind by embarking on a year long killing spree with each fortnightly murder preceded by a nursery rhyme After his wife leaves him just before Christmas Nursery Crimes Punishment tells the story of a police liaison officer who finds himself spending the next year trying to locate and reconcile with his wife whilst at the same time trying to find and catch the Nursery Rhyme serial killer The Shadow of Death Felix Steele, 2010-11 Felix Gideon Steele III was born June 27 1944 in Selma Alabama where he lived until graduating High School when in 1962 the family moved to Arizona After two years of college in 1964 he joined the United States Marine Corps where he spent the next five years flying helicopters He also flew helicopters for Air America for a year after the service Returning to Arizona in 1971 he finished college and graduated from Arizona State University in 1975 He settled in Pinetop Arizona in 1976 where he gained employment in the Land Surveying profession He lives here today with his wife and teenage son and continues to work in Land Surveying There have been many books written about the Viet Nam War covering such subjects as the ground war the air war the great battles and operations as well as the political aspects of the event Over 60 000 Americans and 1 4 million Vietnamese soldiers sailors and airmen and Marines made the supreme sacrifice during this war of insurgency This book attempts to describe the horrors of the helicopter crews who spent most of their efforts saving lives of wounded Americans Vietnamese and even enemy soldiers The author survived over 600 missions as a helicopter pilot during the period when the DMZ was being militarized and the battle of Khe Sanh when the U S Marines took the area away from the North Vietnamese regulars as well as many missions of mercy to save lives in areas where small skirmishes were the order of the day Not many people have heard of the H 34 helicopter because the military historians have largely ignored it due to the desire of the promoters to tout the newer developments in rotary wing phenomena like the ubiquitous Huey and Boeing Vertol H 46 and Chinook models The vast majority of lives saved during the periods mentioned above were saved in the H 34 helicopter The crews of these obsolete flying machines were some of the best men to ever come into the field of aviation Crimes by Moonlight Charlaine Harris, 2011-10-20 Nighttime is the perfect time for the perfect crime 1 SUNDAY
