Cross, 2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author *Serving the People of God's Presence* will focus on the role of leadership in the church      **Pastoral Ethics** W. Ross Hastings, 2022-06-15 Ethics is freedom in Christ to pursue the good true and beautiful Pastors regularly face concrete ethical questions And they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In *Pastoral Ethics* W Ross Hastings provides pastors an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes gnosticism Ethics without theology leads

to legalism and death Christian ethics participates in God's life and God's work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love Pastoral Ethics is an essential guide for Christians in all ministry contexts

**The God Who Gives** Kelly M. Kapic, 2018-06-12 Many Christians wonder what the Christian life is all about They hear about grace but struggle to rightly understand it much less live it They are taught about God but their vision of him does not always reflect the full biblical portrait of the Father Son and Holy Spirit When this happens Christians struggle to know the ways of God and how to joyfully participate in his work The God Who Gives provides a compelling vision of Christian faith and life helping readers discover the uniqueness of the gospel that God's kingdom comes not by taking but by giving God gives Himself We are invited into the fullness of life that can only come through the gift of God's divine generosity Taking readers through the grand biblical narrative of creation fall redemption and kingdom author Kelly M Kapic helps us see our story in and through the story of Scripture He shows that everything belongs to God and yet because of our turning and taking from him we experience a kind of suffocating bondage to sin So how does God reclaim us God gives again The God who gave in creation restores by recreating us through his Son and by his Spirit The kingdom of God is an overflowing measure of divine generosity that we are invited to participate in The God Who Gives calls readers to discover that the whole Christian story is founded upon the Triune God's self giving and our belonging to God Fully embracing this truth changes how we view God ourselves and the world Living in God's gifts we are freed to give ourselves and truly experience life

systematic theologian and Reformed minister however he never lived to fulfill his ambition to write a book devoted solely to Barth Gunton on Barth is an in depth analysis derived from the lecture course he gave most years at King s College London something of an annual institution it was aimed at undergraduates though the majority of those attending were MA PhD students and researchers from America and Germany Approximately half of the work consists of quotations representing an essential understanding Colin was a creative lecturer although he worked from notes he gave space to the free rein of his mind particularly when fielding questions or trying to analyze a particular strand of Barth s thought Colin s understanding and expertise was world renowned He did not take all Barth wrote uncritically he struggled and wrestled with this giant of twentieth century theology as he always said at the beginning of the course Not everyone buys into Barth I don t all the way along the line as I get older I get more and more dissatisfied with the details of his working out of the faith over the years I think I have developed a reasonable view of this great man who is thoroughly exciting and particularly I can guarantee if you do this course that you will be a better theologian by the third year whether or not you agree with him he is a great man to learn to think theologically with
