One in a Million Priscilla Shirer, 2010-03-01 The Egyptians in Exodus 1 were intent on enslaving the Israelites wearing them down so that God's chosen people would become disillusioned and not live up to their destiny Of the original two million Israelites who received God's invitation to enter the Promised Land only two actually entered it Similarly modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life In One in a Million Bible teacher Priscilla Shirer invites us to change that pattern for good living beyond our circumstances and expecting to see God move in miraculous ways day after day Without a doubt we can find and follow God's purpose for our journey We can make it to the Promised Land Rules for Radical Christians Nelson R Foster, 2019-10-04 This book is a brutal expose of religion's failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It

exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth *Trust and Tragedy* Tommy Tenney,2001 When tragedy strikes you or those around you the desperate hunt for hope in the secular forest will be futile The hunters invariably go home empty handed and brokenhearted because humanity doesn't have the answers Jesus gave us the key in one of the most direct and unequivocal statements ever made I am the way the truth and the life No one comes to the Father except through Me John 14:6 This book is a signpost On the way through the truth to the life If life is what you need trust in God will take you there With articulate words Tommy Tenney helps lead us past tragedy to that place of trust After reading this book you will know what to do and know what to say *How to Pray with Passion and Power* Tommy Tenney,2010-10 Tommy Tenney has a unique gift for leading people into the presence of God In *How to Pray with Passion and Power* Tenney dives deep into the riches of intimate and rewarding conversation and interaction with the Almighty This gathering of biblical historical and contemporary prayers inspires and leads the reader into life changing and purposeful communication with God
