## **Exposition Of Second Timothy:**

Henceforth a Crown Henry T. Hudson, 2009-02 Going beyond the common text in context approach to Paul's letter to Timothy Dr Henry T Hudson introduces pretext and subtext into his exposition He does this in order to bring home to the hearts of contemporary Christians what lay at the center of Paul's concern for the challenges that were before Timothy as he took over the leadership of the Church Paul was in prison in Rome and was awaiting execution The madman Nero was emperor There were many false prophets abroad and Christians everywhere were suffering persecution Paul even told Timothy that in the last days perilous times shall come How would he then counsel him He was comparatively speaking a young man He was also afflicted with frequent infirmities Pastor Hudson explores what Paul wrote and he does so trying to enter into the mind and heart of Paul He is of the opinion that what he wrote has practical bearing for Christians facing the challenges of life in the twentieth century

**An Exposition of Second Timothy, Inspirational and Practical** N. A. Woychuk, 1974

**2 Timothy MacArthur New Testament Commentary** John MacArthur, 1995-08-01 Second Timothy is essentially Paul's last will and testament Though alone and in prison Paul saw his ministry as a success because he had remained faithful to Christ He urged Timothy to take the same courageous stand for the truth In so doing his letter calls all believers to boldness and perseverance in spiritual service Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical

*The First and Second Letters to Timothy* Jerome D. Quinn, William C. Wacker, 2000 The inaugural volume of the ECC series provides a fresh readable translation of 1 and 2 Timothy together with notes and commentary on this highly relevant section of Scripture The Notes section of the commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles The Comment section guides readers through the complex theological historical and practical issues facing the heirs of Paul in the Christian church The issues treated in 1 and 2 Timothy have a remarkably modern ring to them Addressing such contemporary topics as the qualifications for church leadership the roles of women the use of wealth heterodoxy worship and ethics these Pauline letters remain highly relevant to church life today This new volume not only offers the best of current biblical scholarship on Paul's letters to Timothy but also demonstrates the high standard of excellence marking the ECC series
