All the systems and processes highlighted in the book have been practically implemented and are based on real life experiences of laying down strategies and execution of processes implemented. Endorsement The not for profit world is a large and growing segment of economic activity globally. As economies grow and wealth accumulates the urge to make a lasting intergenerational contribution to human welfare is a deep part of our nature. Many enter this new world without a firm grasp of the financial structures that underpin the not for profit world. Into this gaps steps Biswajeet Chatterjee with his new book Best Practices for a Global Not for Profit Organization. The book describes in clear and simple terms the fundamental accounting principles and regulatory requirements of the not for profit world. Best Practices for a Global Not for Profit Organization offers in one place in clear a simple language a badly needed guide for all those new and established in this world. Not only does the book provide an outline of what is needed financially it also provides a clear description how to navigate through the regulatory requirements that are often much different from those of the for profit world. Biswajeet Chatterjee is uniquely qualified to write this text. He is currently the Chief Financial officer of ACCESS Health International a
