**Concise Encyclopaedia of Islam** Gibb, Kramers, 2022-06-08 The Concise Encyclopedia of Islam is a mandatory reference tool that will prove to be indispensable for students of all subjects which concern or touch on the religion and law of Islam. It includes all the articles contained in the first edition and supplement of the Encyclopedia of Islam which are particularly related to the religion and law of Islam. This volume has a vast geographical and historical scope which includes the old Arabo-Islamic Empire, the Islamic states of Iran, Central Asia, the Indian sub-continent and Indonesia, the Ottoman Empire and the various Muslim states and communities in Africa, Europe and the former U.S.S.R. The Concise Encyclopedia of Islam contains an extensive index and bibliography. This publication has also been published in hardback, please click here for details.

**Islam** Ina Taylor, 2001 The third part of this popular series provides fully differentiated versions of the same book for true mixed ability teaching. This edition is aimed at students with a higher ability. Structured closely around the key topics in the KS3 model syllabus, it presents discussion of aspects of the Islamic faith in an informative, accessible way.

**Principles of Islamic Accounting** Nabil Baydoun, Maliah Sulaiman, Roger J. Willett, Shahul Ibrahim, 2018-07-10 Your introduction to Islamic accounting. Principles of Islamic Accounting is the first and only text that covers the fundamentals of Islamic accounting in English. A comprehensive guide, this groundbreaking reference offers both insight into Islamic accounting best practices and disclosure for Shariah-compliant instruments. Covering everything from basic transaction analysis to the preparation of financial statements, this reference serves as a broad framework around which undergraduate students can build their understanding of the Islamic business environment by offering context and showcasing how Islamic values can influence the disclosure of financial information. Islamic accounting is becoming an increasingly important aspect of the business field as globalization results in a surge in business partnerships and transactions around the world. Today's students need to understand Islamic accounting principles in order to effectively work with professionals who adhere to these standards, and accessing this information via text in English was not possible until this revolutionary reference. Review the basics through an introduction to Islamic accounting. Understand the recording process and how to complete the accounting cycle and adjust accounts as necessary. Explore accounting for assets, liabilities, equity, and sukuk, as well as zakat and takaful accounting. Discover details regarding Islamic commercial law, accounting for Islamic financial institutions, and Islamic corporate governance and sustainability, and look at auditing from an Islamic perspective. Principles of Islamic Accounting is an essential text for first-year university students who are studying Islamic accounting as well as professional societies and organizations that support the use of Islamic accounting principles, such as The Islamic Finance Professionals Association.
