The Best American Humorous Short Stories Alexander Jessup, 2009-01-01 Although every literary tradition has its own rich vein of humor writing there is something about American humor that sets it apart from the pack in terms of accessibility and lack of pretension This volume includes writings from such luminaries of the genre as Mark Twain Oliver Wendell Holmes and Edgar Allen Poe and the brevity of most of the collected pieces makes it easy to take a short reading break whenever you could use a good laugh

The Best American Humorous Short Stories AA. vv.,2019-08-15 How much real comfort every one might enjoy if he would be contented with the lot in which heaven has cast him and how much trouble would be avoided if people would only let well alone A moderate independence quietly and honestly procured is certainly every way preferable even to immense possessions achieved by the wear and tear of mind and body so necessary to procure them Yet there are very few individuals let them be doing ever so well in the world who are not always straining every nerve to do better and this is one of the many causes why failures in business so frequently occur among us The present generation seem unwilling to realize by slow and sure degrees but choose rather to set their whole hopes upon a single cast which either makes or mars them forever Gentle reader do you remember Monsieur Poopoo He used to keep a small toy store in Chatham near the corner of Pearl Street You must recollect him of course He lived there for many years and was one of the most polite and accommodating of shopkeepers When a juvenile you have bought tops and marbles of him a thousand times To be sure you have and seen his vinegar visage lighted up with a smile as you flung him the coppers and you have laughed at his little straight queue and his dimity breeches and all the other oddities that made up the every day apparel of my little Frenchman Ah I perceive you recollect him now

American humorous short stories there are many other stories equally as good I suppose in much the same vein scattered
through the range of American literature I have tried to keep a certain unity of aim and impression in selecting these stories
In the first place I determined that the pieces of brief fiction which I included must first of all be not merely good stories but
good short stories I put myself in the position of one who was about to select the best short stories in the whole range of
American literature but who just before he started to do this was notified that he must refrain from selecting any of the best

of American literature adequately nor was this necessary in order to give examples of the best that has been done in the
short story in a humorous vein in American literature Probably all types of the short story of humor are included here at any
rate Not only copyright restrictions but in a measure my own opinion have combined to exclude anything by Joel Chandler
Harris Uncle Remus from the collection Harris is primarily in his best work a humorist and only secondarily a short story
writer As a humorist he is of the first rank as a writer of short stories his place is hardly so high His humor is not mere
